

## Greenacre SSP – Medway Get Active! Funding

### Proposal

To deliver this activity Greenacre School Sport Partnership will work alongside our partners within further education establishments linked to our partner secondary schools. We propose to engage as many students as possible in a range of sports to try to stop the drop off rates post 16. Local sports coaches will undertake the coaching which will be attached to a club marked local club in most instances.

### No of students post 16 + who will be targeted

The figures below showing total numbers in the respective 6<sup>th</sup> forms are based on the schools' Ofsted report so will only be approximate.

Walderslade Joint Sixth Form 150

Thomas Aveling 177

SJWMS 321

RGS 278

SJF 129

CGSB 430

Bradfields

Fort Pitt 209

Chatham South 50

We propose that our activities will look to engage those pupils not necessarily engaged in sport at 6<sup>th</sup> form – 'Semi sporty'

We propose that 400 participants will be targeted in a year period as a minimum. A small charge could also be included to try to sustain the project for future years.

### Finance

The funding would approximately be split up as follows;

1 coach @ 30per hour x 6 weeks = 180 per block

27 blocks per year = 4860 per year

Every school will have access to 3 coaches.

### Sustainability

By training and developing 6<sup>th</sup> formers through the Medway Council Sports Leaders programmes and various other initiatives we could look to employ sixth formers to undertake and organise coaching sessions under teacher supervision.
