

Howard SSP – Medway Get Active! Funding

Proposal

To deliver this activity Howard School Sport Partnership will work alongside our partners within further education establishments linked to our partner secondary schools and Mid-Kent College. We propose to engage as many students as possible in a range of sports to try to stop the drop off rates post 16. Local sports coaches will undertake the coaching which will be attached to a Clubmarked local club in most instances.

No of students post 16 + who will be targeted

The figures below showing total numbers in the respective 6th forms are based on the schools' Ofsted report /recent audits will only be approximate.

Howard School 159
 Chapter School 195
 Chatham Grammar School for Girls 273
 New Brompton College 60
 Robert Napier School 65
 Hundred of Hoo School 158
 Rainham School for Girls 181
 Rainham Mark Grammar School 337
 Mid Kent College 3830 (over three sites)

We propose that our activities will look to engage those pupils not necessarily engaged in sport at 6th form/Further Education College – 'Semi sporty'

We propose that 400 participants will be targeted in a year period as a minimum. A small charge could also be included to try to sustain the project for future years.

Finance

The funding would approximately be split up as follows;

1 coach @ 30per hour x 6 weeks = £180 per block
 27 blocks per year = £4860 plus some equipment costs per year. TOTAL £5000

Sustainability

By training and developing 6th formers through the Medway Council Sports Leaders programmes and various other initiatives, we could look to employ sixth formers to undertake and organise coaching sessions under teacher supervision in the longer term, to make more sustainable for the future.
