Regeneration Community and Culture Overview and Scrutiny Committee

BRIEFING NOTE – No. 05/13

Date: 19 July 2013
Briefing paper to: All Members of the Regeneration Community and Culture Overview & Scrutiny Committee
Purpose: **At a previous meeting, Members asked if Ward level crime statistics could be expanded to include five-year trend analysis.**

With regard to crime statistics, there have been some amendments to the Home Office counting rules, which make a 5-year direct comparison difficult.

As a result of the Governments Comprehensive Spending Review, Kent Police have been through a process of restructuring, which means there is unfortunately no analytical capacity to produce any 5-year data.

There is data available from December 2010 on the Government website, www.police.uk, that can be referred to.
