Diversity impact assessment

TITLE <i>Name/description of the issue being assessed</i>	Proposals to restructure Alternative Provision in Medway
---	---

DATE <i>Date the DIA is completed</i>	10 June 2019
---	---------------------

LEAD OFFICER <i>Name of person responsible for carrying out the DIA.</i>	David Watkins – Head of Education
--	--

1 Summary description of the proposed change

- *What is the change to policy/service/new project is being proposed?*
- *How does it compare with the current situation?*

As part of the Alternative Provision (AP) Review it recommends that the Local Authority should look at a restructure of all non-independent Alternative Provision in Medway, establishing an all-through integrated AP service on a single site.

To achieve this, the proposal results in a merger between the two state funded AP's in Medway, Will Adams (Local Authority Maintained) and The Rowans an Academy under the Inspiring Change Trust.

The merger will result on the technical closure of Will Adams and the expansion of The Rowans.

Initially the merger may not be possible to locate on a single site and so the two current sites will continue, i.e. the new single provision will operate over split sites until such time as it is possible to co-locate.

2 Summary of evidence used to support this assessment

- *Eg: Feedback from consultation, performance information, service user records etc.*
- *Eg: Comparison of service user profile with Medway Community Profile*

None of the responses received indicated any concerns regarding equality and diversity.

It is expected that any impacts will be positive e.g. the proposals will result in a more streamlined cohesive and coordinated approach to alternative provision. Pupils will benefit from a focussed education dependent upon their circumstances.

Diversity impact assessment

5 What actions can be taken to mitigate likely adverse impacts, improve equality of opportunity or foster good relations?

- Are there alternative providers?
- What alternative ways can the Council provide the service?
- Can demand for services be managed differently?

No impacts are expected to be negative, but all responses to the subsequent consultation period will be considered within the criteria set out above to assess any potential negative impacts.
