1 Further Education College

Performance Headlines

Early Years Foundation Stage (EYFS)

Children in Medway achieve a good level of development in the EYFS Performance has improved compared to 2021-22.

Phonics

Outcomes have improved at Key Stage 1 and Key Stage 2 compared to the outcomes achieved in 2021/22. However, these remain lower than pre pandemic levels and below national.

Key Stage 1

Improvement in the percentage of pupils at Key Stage 1 achieving expected levels in reading, writing and maths. Key Stage 1 scores in writing and maths improving at a faster rate compared to national.

Key stage 2

Decline in the percentage of pupils at Key Stage 2 achieving expected levels in all reading, writing and maths, compared to national improvement. KS2 reading scores have declined and are 5 percentage points (pp) below the national average.

Performance Headlines

Key stage 4

The percentage entering the **English Baccalaureate** has returned to pre pandemic levels and is in line with the national average.

The **Attainment 8** is broadly in line with the national average.

Percentage achieving **Grade 5+ in English and maths** fell both in Medway and nationally. Medway's performance remains 2.4 percentage points below national.

Percentage achieving **Grade 4+ in English and maths** has fallen in 2022-23 in line with the national trend; however, outcomes in Medway have fallen by a larger margin, and the gap between Medway's average and national average has therefore increased.

The average **Progress 8** score for Medway is -0.10. Although this is a slight improvement on the previous year, this remains well below the national average progress 8 score -0.03.

Performance Headlines

Key Stage 5

The **Average Point Score (APS)** per A level entry, academic entry, general entry and technical level entry have all declined further as have the respective measures nationally. In all these measures Medway remains below the national average.

The percentage of pupils achieving **grades AAB in 2 facilitating subjects** has declined further and remains significantly below national.
