PUBLIC QUESTIONS – ADDENDUM REPORT

Report from: Neil Davies, Chief Executive

Author: Wayne Hemingway, Democratic Services Officer

Summary

To set out a public question which was received for this meeting but was inadvertently omitted from the main report.

1. Background

1.1 Section 8.3 of the Council Rules, as laid out in the Council's Constitution, sets out the rules for the receipt of public questions as follows:

- At any one meeting no person may submit more than two questions and no more than two questions may be asked on behalf of one organisation. Members of the public who have not submitted questions before will be given priority over those who have, and second questions will only be dealt with when all first questions have been dealt with. Any questions that have not been dealt with within the time limits will receive a written reply after the meeting.

1.2 In this case, the following question was received within the deadline and has been placed in the following order, in accordance with section 8.3 of the Council Rules (see section 1.1 above). Unfortunately, it was omitted from the main report owing to an administrative error and is now set out below.

2. Public question

Gi Paul Chaplin of Rainham will ask the Portfolio Holder for Housing and Community Services, Councillor Doe, the following question:

Does the Council keep an up to date list of approved private landlords, and is this monitored regularly?
