**21st JANUARY 2015**

### **JOINT HEALTH AND WELLBEING STRATEGY: MONITORING REPORT**

Report from: Dr Alison Barnett, Director of Public Health

Author: Dr Saloni Zaveri, Consultant in Public Health

#### **Summary**

The purpose of this report is to provide an update to the Board on Joint Health and Wellbeing Strategy (JHWS) indicators.

#### **1. Budget and Policy Framework**

- 1.1. The Health and Social Care Act 2012 places a duty on Health and Wellbeing Boards to produce a Joint Health and Wellbeing Strategy for their local area. Implementation and monitoring of the strategy and the strategy outcomes are on-going.

#### **2. The Medway JHWS Monitoring and Outcomes Framework**

- 2.1. The HWB has responsibility to ensure that robust performance and quality monitoring measures are in place with regard to the implementation and outcomes for the JHWS. The monitoring and outcomes framework for Medway's JHWS includes monitoring of outcomes taken from the National Outcomes Frameworks for the NHS, Social Care, Public Health and Children which are aligned to the Medway Joint Health and Wellbeing Strategy 2012-17. A report on key JHWS outcome indicators is attached as appendix 1.

#### **3. Risk management**

<b>Risk</b>	<b>Description</b>	<b>Action to avoid or mitigate risk</b>
Lack of clarity as to progress on health and wellbeing outcomes.	Monitoring and outcomes framework not sufficiently robust so unclear if progress is being made.	Regular progress reports to the Board.

#### **4. Financial and legal implications**

- 4.1. There are no financial or legal implications arising directly from the contents of this report.

#### **5. Recommendations**

- 5.1. The HWB are asked to consider the indicator updates.
