

CHILDREN AND YOUNG PEOPLE OVERVIEW AND SCRUTINY COMMITTEE

3 MARCH 2016

WORK PROGRAMME

Report from: Julie Keith, Head of Democratic Services

Author: Teri Reynolds, Democratic Services Officer

Summary

This item advises Members of the current work programme and allows the Committee to adjust it in the light of latest priorities, issues and circumstances. It gives members the opportunity to shape and direct the Committee's activities over the year.

1. Budget and Policy Framework

- 1.1 Under Chapter 4 – Rules, paragraph 22.1 (v) General terms of reference, each overview and scrutiny committee has the responsibility for setting its own work programme.

2. Background

- 2.1 Appendix 1 to this report sets out the proposed work programme for the Committee during the current municipal year.

3. Agenda planning meeting

- 3.1 Members will be aware that Overview and Scrutiny Committees hold agenda planning meetings on a regular basis. These give officers guidance on information that members wish them to provide when scrutinising an issue. An agenda planning meeting took place on 11 February 2016.
- 3.2 At the meeting it was agreed that the 16-19 Strategy, which had been listed on the Cabinet Forward Plan for June 2016, should be added to the agenda of this committee for its May meeting as pre-decision scrutiny

4. Cabinet Forward Plan

- 4.1 The latest Forward Plan of forthcoming Cabinet decisions was published on 8 February 2016.

- 4.2 Set out below is a list of items featuring on the Forward Plan that fall within the terms of reference of the Children and Young People (CYP) Overview and Scrutiny Committee. The Committee is asked to identify any items it wishes to consider before the Cabinet decision is taken (where dates permit), other than those already programmed in Appendix 1:

5. Headteacher and Teacher positions on the Committee

- 5.1 Expressions of interest in these positions were invited via the School Information Bulletin, in accordance with the new procedure agreed by Council on 21 January 2016.
- 5.2 The deadline for submission closes at the end of February 2016 and the Committee will be updated at the Committee meeting on responses received.

6. Implications for Looked After Children

- 6.1 Members should ensure they focus on outcomes for looked after children. This includes considering their physical health; their emotional health; their safeguarding; their educational attainment and progress; their hopes and aspirations for their adult lives and how looked after young people have their voices heard. We know that looked after children can be more vulnerable to sexual exploitation so particular attention should be given to this. As a corporate parent you should be a champion for looked after children and have the same high expectations of them as you would for your child, grandchild or niece/ nephew.

7. Financial and legal implications

- 7.1 There are no financial implications arising from this report.
- 7.2 Under The Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 the Council has power to review and scrutinise any matter relating to the planning, provision and operation of the health service in Medway. This Committee has the remit to review and scrutinise health services for children and must invite interested parties to comment on particular matters under review or scrutiny and take into account relevant available information and in particular, relevant information provided by Healthwatch Medway. The Committee may make reports and recommendations and reports to relevant NHS bodies or health service providers. These organisations are also under a statutory obligation to consult the Committee on any proposal for a substantial development or variation of children's health services in Medway.
- 7.3 The Parent Governor (England) Regulations 2001 provide for the arrangements relating to the election of voting parent governor representatives to education Overview and Scrutiny Committees.

8. Recommendations

- 8.1 The Committee is asked to agree the work programme as set out at in Appendix 1 subject to the items the 16-19 Strategy being added to the list of items on the work programme for the May 2016 meeting.
