3. *Calculating the amount of relief to be awarded*

3.1 General Guidelines

Although each individual application must be considered on its own merit, all will be considered against the following general principles:

- (i) Irrespective of the type of organisation liable for the payment of non-domestic rates, all charity shops (including galleries) and charity cafes will receive 80% mandatory relief only.
- (ii) Where bars are in operations, bar profits should be taken into account. A minimum bar profit of 30% on turnover should be used to ensure that any discretionary relief granted does not subsidise the bar.
- (iii) For sports clubs, sailing and Yacht clubs, relief should only be considered if more than 50% of the “sports” membership lives in the Council’s area. Social members should not be included.
- (iv) That membership fees and other charges should be reasonable.
- (v) There should be reasonable evidence of financial need and that reasonable efforts have been made to raise funds.
- (vi) There must be a positive benefit for the community of Medway.
- (vii) That membership of social activity organisations should generally be open to all relevant sections of the community.
