

Homelessness Prevention Strategy Consultation for users of services

What you think is really important so we can be sure that our Homelessness Prevention Strategy 2017-2019 achieves what want it to. After you have read the strategy document please answer the following questions.

Your name (can leave blank if you want)

Part A: Please say whether you agree with each of our 4 priorities below.

1. Use early interventions to prevent homelessness before the crisis point is reached (doing things when someone is close to becoming homeless to try to stop it happening)

Agree

Disagree

Comments

2. Provide timely housing information enabling people to make informed housing decisions and plan ahead (give good information on housing so people can make decisions and plan ahead)

Agree

Disagree

Comments

3. Ensure fair access to a supply of housing to meet housing needs (help people get the type of housing they need and make sure there is enough housing for those who need it)

Agree

Disagree

Comments

4.Ensure access to services to help people with housing support needs to sustain independent living (make sure people with housing support needs can access services and support to help them continue to live independently)

Comments	
<input type="text"/>	
5. Are there any other things that you think we need to do? Is there anything you think that we should stop doing? Please tell us about it here;	
<input type="text"/>	
If you are happy for us to contact you to discuss your comments please leave your email address or phone number	
Email	<input type="text"/>
Phone	<input type="text"/>
<p>All your comments will be recorded and discussed. The document may be changed if you tell us about something we hadn't thought of. When the final version is agreed it will be put onto our website and we will start working with organisations on what was agreed we would do.</p>
