An application has been received from Superintendent Lukey, on behalf of the Chief Officer of Kent Police, for a Summary Review of the premises licence at Prince of Wales, 90 Cecil Road, Rochester, Kent, ME1 2HS, as the premises have been associated with serious crime and disorder.

CERTIFICATE UNDER SECTION 53A (1) (b) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime.

Premises:

Prince of Wales, 90 Cecil Road Rochester ME12QT

Premises licence number (if known): MEDWAY-05-PREM-0003

Name of premises supervisor (if known): Mr Alfred Martin

I am a Superintendent in the Kent Police Force

I am giving this certificate because I am of the opinion that the premises are associated with serious crime and that other procedures under the Licensing Act are inappropriate.

Although the premises have not come to the attention of the licensing committee before, Kent Police Licensing have been monitoring this premises for some time with regards to drug use concerns and non-compliance of the premises licence namely: operating beyond licenced hours. The nature of this offence is so serious as to justify the immediate decision to call an expedited review. Other powers under the licensing act, or other acts, are not appropriate and do not address the issue with immediate effect, a standard licence review would not suffice as it will take 28 days to come to hearing and may be appealed prior to application. Allowing the public house to continue operating will fuel the risk of further serious crime occurring before sufficient measures can be put into place to allay such fears.

The benefits of dealing with this by way of an expedited review allows an interim step of suspension to apply immediately, thereby safeguarding members of the public and preventing further offences.

On Saturday 10th March 2018 at approximately 01:20 hours police were called to reports of a violent disturbance occurring inside the Prince of Wales public house. As a result of the disturbance a male has received a significant head injury having been cut from the top of the head down the left side of the face, passing close to the eye and down the cheek ending just shy of the jaw bone resulting in over a litre of blood loss and requiring 40 stitches. At this stage it is suspected that a large knife or machete was used as a weapon to cause the injury and the suspect is currently unknown. CCTV at the venue was not recording at the time of the incident. This amounts to a breach of condition attached to the premises licence. The lack of CCTV could have potential implications in this investigation regarding the identification of the offender and evidence of the offence.

The premises is licenced to sell alcohol each Friday and Saturday from 10:00 - 00:00 and opening hours are 10:00 - 00:30. This incident occurred whilst the venue was operating outside licensable hours, again in breach of the premises licence.

The crime scene (bar area and blood) was cleaned by staff prior to police arrival potentially hindering the investigation and possible forensic opportunity.

Kent Police are of the opinion that if the premises were to remain open to the public it may be a flashpoint for further incidents of serious crime and disorder. Furthermore, the Police wish to see this premises closed until a full review of the facts can be undertaken by the

Council Licensing Committee with regard to the management of the premises. This enables consideration to be given as to whether further controls are required at the premises so as to prevent serious crime and disorder. Until this consideration is undertaken the Police consider that there is a risk of serious crime and disorder reoccurring at the premises.

Given the above Police are seeking the temporary suspension of the premises licence followed by a full review and are of the opinion that this is the appropriate course of action under the Licensing Act 2003 to preventing serious crime and disorder from reoccurring.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

DECISION OF LICENSING HEARING PANEL

Date of hearing:	13 March 2018
Premises:	Prince of Wales, 90 Cecil Road, Rochester, Kent, ME1 2HS
Panel:	Councillor Carr (Chairman) Councillor Godwin Councillor Griffin
Representatives of Kent Police:	PC Chris Hill PC Dan Hunt
Premises Licence Holder:	Mr Alfred Martin
In attendance:	Mandy Francis, Principal Licensing and Enforcement Officer Laura Caiels, Principal Lawyer Steve Platt, Democratic Services Officer

The Chairman asked those present to introduce themselves and explained the process that the hearing would follow as outlined in the agenda.

The Principal Licensing and Enforcement Officer said that, in accordance with the Licensing Act 2003, the Council had received an application for an expedited review from Kent Police in relation to the premises licence for the Prince of Wales, 90 Cecil Road, Rochester, as the premises had been associated with serious crime and disorder. She explained that the Licensing Act 2003 required expedited premises licence review applications to be considered within 48 hours, pending a full review hearing within 28 days of the date that the application was served.

She stated that the purpose of the hearing was for the Panel to determine what interim steps to take, pending the full review hearing, and explained that the options were:

- (a) the modification of the conditions of the premises licence;
- (b) the exclusion of the sale of alcohol by retail from the scope of the licence;

- (c) the removal of the designated premises supervisor from the licence;
- (d) the suspension of the licence.

PC Hunt explained that there was an ongoing police investigation following a serious incident at the premises in the early hours of Saturday 10 March 2018 for which there was an ongoing investigation. A victim had suffered a deep cut to his face which had resulted in the loss of a lot of blood and required 40 stitches. This amounted to grievance bodily harm, wounding with intent, and the offender had not yet been identified.

PC Hunt advised that Officers attending the scene had established that the CCTV at the premises was not working as it had been switched off five days earlier, despite CCTV being a condition of the premises licence. In addition, the crime scene had been cleaned by staff at the premises and Officers had witnessed alcohol being served to customers beyond the licensable hours, at 01.20 hours. On Fridays and Saturdays the premises were licenced to sell alcohol until 00:00 hours and the closing time was 00:30 hours.

The Police were concerned that if the premises remained open prior to a full review hearing, it could be a flash point for further incidents or reprisals. The Police were therefore seeking suspension of the premises license for 28 days to allow for a full review of the licence.

Mr Martin, the Premises Licence Holder, questioned the Police representatives who re-iterated that, due to the nature of the incident, they considered that there would be a risk to safety if the premises remained open prior to the full review hearing.

In response to questions from members of the Panel, the Police confirmed that they had been monitoring the premises due to concerns of under age drinking, the serving of alcohol after permitted hours, and the absence of a Designated Premises Supervisor. During visits to the premises, drug swabs had been taken and these had showed high readings. As a result a warning letter had been sent to the Premises Licence Holder.

Mr Martin stated his belief that his pub was being managed correctly and stated that he had 'called time' at 00:30 hours on the night in question. He said that the victim had been helping him in the pub and that he could not have prevented the incident. He accepted that some people took drugs on the premises. He said that he had been involved in the running pubs for 40 years and accepted that, on occasion, alcohol was served after hours.

There being no questions from the representatives of the Police, members of the Panel asked why the CCTV had not been working. Mr Martin said that he had been waiting for a new part and a new working system had now been installed at the premises. He said that he had never witnessed drug taking at the premises and that there was no CCTV in the toilets. He disputed the Police representative's comment that he had been serving alcohol after permitted hours and said that the pub had closed at 00:30 hours. He confirmed that the offender had visited his pub over the previous three weeks but had not caused any problems.

The Chairman asked both parties if they wished to sum up. The Principal Licensing and Enforcement Officer read out a statement on behalf of Mr Martin relating to an incident in the 1980s.

The Police representatives referred to the photographic evidence which showed the level of injury inflicted on the victim and how close it was to his eye. It was the opinion of the Police that, had the Premises Licence Holder been compliant with the premises licence, people would not have been present at the premises at 01:20 hours and the assault would not have occurred. Mr Martin had admitted that he did not 'call time' until 00:30 hours, 30 minutes after the permitted time. The Police therefore had concerns regarding Mr Martin's ability to manage the basic conditions of the premises licence. It was not considered that the removal of Mr Martin as the Designated Premises Supervisor would be sufficient on this occasion as it was likely that he would remain at the centre of the pub's management. The Police were therefore requesting the suspension of the premises licence for 28 days pending the full review of the premises licence.

Decision:

1. In considering the application for an expedited review of the premises licence for the Prince of Wales, 90 Cecil Road, Rochester, Kent, ME1 2HS, the Licensing Hearing Panel had regard to the Licensing Act 2003, the statutory guidance issued under S182 of the Act, the Council's Statement of Licensing Policy and all matters before it, both written and oral.
2. In light of the seriousness of the incident that had occurred at the premises on 10 March 2018, the risk of further incidents and the concerns expressed by the representatives of Kent Police regarding the management of the premises, the Panel suspended the premises licence for a period of up to 28 days, pending a full review hearing.

Note:

The premises licence holder may make representations against the interim steps taken by the licensing authority. There is no time limit for the premises licence holder to make representations on the interim steps, although in practice this would need to be completed within 28 days of the application being received by the licensing authority when the full review hearing will take place. On receipt of such representations, the licensing authority must (if the representations are not withdrawn) hold a hearing within 48 hours of their receipt. When calculating the 48 hour period, any non-working day can be disregarded
