18 MARCH 2010

WORK PROGRAMME

Report from: Neil Davies, Chief Executive

Author: Caroline Salisbury, Overview and Scrutiny

Co-ordinator

Summary

The item advises the Committee of the current work programme and enables adjustments to be made in light of latest priorities, issues and circumstances. It gives Members the opportunity to shape and direct the Committee's activities over the year.

1. Budget and Policy Framework

1.1 Under Chapter 4 – Rules, paragraph 22.1 (v) General terms of reference, each overview and scrutiny committee has the responsibility for setting its own work programme.

2. Background

2.1 Appendix 1 to this report sets out the existing work programme for the Committee.

3. Agenda planning meeting

3.1 Members will be aware that Overview and Scrutiny Committees hold agenda planning meetings on a regular basis. These give officers greater guidance on information Members wish them to provide when scrutinising an issue. An agenda planning meeting took place on Tuesday 23 February 2010.

4 Future work programme

Cabinet's Forward Plan

4.1 The following two items on the Cabinet Forward Plan, which the committee has already agreed should be considered as pre-decision scrutiny, were discussed at the pre-agenda meeting: -

Air Quality Management Action Plan (Outcome of consultation) 29 June 2010

To consider the outcome of consultation on the Air Quality Management Action Plan

Waste Strategy Review

29 June 2010

This report sets out a review of the Waste Strategy for Cabinet's consideration and approval.

- 4.2 At the pre-agenda meeting it was suggested that the Air Quality Management Action Plan is brought to the June meeting of the Committee as pre-decision scrutiny.
- 4.3 In relation to the Waste Strategy Review it was suggested that this is referred to the Waste Contracts Task Group for consideration.

5 Legal and financial implications

5.1 There are no financial or legal implications arising directly from this report.

6 Recommendations

- 6.1 Members are requested to:
 - (a) consider the Committee's current workload and identify items for inclusion in the work programme set out at appendix A;
 - (b) note that the work programme will be updated to show that the report on the Air Quality Management Action Plan (outcome of consultation) will be submitted to the June meeting;
 - agree that the Waste Strategy Review will be referred to the Waste Contracts Task Group for consideration prior to decision by Cabinet.
