Summary

Medway's Council Plan 2016/21 sets out the Council's three priorities. This report and appendices summarise how we performed in quarter 3 2018/19 on the delivery of the two priorities relevant for this Committee: supporting Medway's people to realise their potential and maximising regeneration and economic growth.

- 2.2 Performance in respect of Adult Social Care, which also falls under the priority "supporting Medway's people to realise their potential", is not included here as it will be the focus of the Health and Adult Social Care Overview and Scrutiny Committee.

4. Summary of performance – all measures

4.1 Council Plan – all measures

There are 18 measures of success which fall under the remit of this Committee:

4.2 Improved performance

- 50% (9 out of 18) improved long term (average of previous 4 quarters)
- 50% (9 out of 18) improved short term (since last quarter)

5. Risk Management

- 5.1 Implementation of a performance management framework allows the Council to evidence how successful it is in achieving against its stated objectives, and for residents it provides genuine accountability on how successfully the Council is administering its resources.
- 5.2 The risk of inaccurate data being reported to Members is minimised through authorisation by Directorate and Corporate Management Teams. Assurance can therefore be placed on the accuracy of data used to assess performance.
- 5.3 By reporting to Members, the risk of poor performance not being identified or addressed is minimised.

6. Financial and Legal Implications

- 6.1 There are no direct finance or legal implications arising from this report.

7. Recommendation

- 7.1 It is recommended that Members consider the quarter 3 performance of the measures of success used to monitor progress against the Council's priorities.
