4. Summary of performance

4.1 There are 10 Council Plan measures for this priority:

5. Risk management

5.1 Implementation of a performance management framework allows the Council to evidence how successful it is in achieving against its stated objectives, and for residents it provides genuine accountability on how successfully the council is administering its resources.

5.2 The risk of inaccurate data being reported to Members is minimised through authorisation by Directorate and Corporate Management Teams. Assurance can therefore be placed on the accuracy of data used to assess performance.

5.3 By reporting to Members, the risk of poor performance not being identified or addressed is minimised.

6. Financial and legal implications

6.1 There are no direct finance or legal implications arising from this report.

7. Recommendation

7.1 It is recommended that the Committee considers the Quarter 3 performance of the measures of success used to monitor progress against the Council's priorities.
