Report coordinated by: Phil Watts, Chief Finance Officer

Transformation – Directorate Management Team

Summary

Medway's Council Plan 2016/21 sets out the Council's three priorities. This report and appendices summarises how we performed in quarter 3 2018/19 on the delivery of the two priorities relevant for this Committee: 'Medway: a place to be proud of' and 'Maximising regeneration and economic growth'.

1. Budget and Policy Framework

1.1 The Council Plan 2016/21 was agreed at Full Council in February 2016. It sets out the Council's three priorities and three ways of working which aim to deliver these priorities.

2. Background

2.1 This report sets out the performance summary against the two Council priorities relevant for this Committee: 'Medway: a place to be proud of' and 'Maximising regeneration and economic growth.' It focuses on where we have achieved or exceeded our targets, and how we are tackling underperformance.

2.2 Detailed background information supporting this report can be found in Appendix 1: 'Medway: A place to be proud of' and Appendix 2: 'Maximising regeneration and economic growth'.

2.3 Members should note that Council agreed on 25 July 2013 that the scrutiny of Housing performance would be discussed at Business Support Overview and Scrutiny Committee. Any performance information highlighted in grey is not relevant to this Committee and falls under other Overview and Scrutiny Committees. They have been included to provide context and clarity of how the council priorities as a whole have been performing.

2.4 The format of the report was changed from 01 April 2018 to reflect the recommendations of the corporate peer challenge.

4 Summary of performance –

There are 9 measures of success which fall under the remit of this Committee, however for Q3 we are reporting on 7 as data is not expected until after this report is published for 1 measure (net additional homes) and 1 measure is data only (GVA per job)

5 Risk management

- 5.1 Implementation of a performance management framework allows the Council to evidence how successful it is in achieving against its stated objectives, and for residents it provides genuine accountability on how successfully the council is administering its resources.
- 5.2 The risk of inaccurate data being reported to Members is minimised through authorisation by Directorate and Corporate Management Teams. Assurance can therefore be placed on the accuracy of data used to assess performance.
- 5.3 By reporting to Members, the risk of poor performance not being identified or addressed is minimised.

6 Financial and legal implications

- 6.1 There are no direct finance or legal implications arising from this report.

7 Recommendation

- 7.1 It is recommended that Members consider the Q3 performance of the measures of success used to monitor progress against the Council's priorities.
