WHISTLEBLOWING, ANTI-BRIBERY AND ANTI-MONEY LAUNDERING POLICIES: REPORT ON INSTANCES SEPTEMBER 2018 – SEPTEMBER 2019

Report from: Perry Holmes, Chief Legal Officer

Summary

This report advises Members about the nature of concerns raised, between September 2018 and September 2019, under the Council's Whistleblowing, Anti-Bribery and Anti-Money Laundering Policies.

1. Budget and Policy Framework

1.1 The Council's Whistleblowing Policy, Anti-Bribery Policy and Anti-Money Laundering Policy are set out within the Council's Constitution. These policies require annual reports on the number and nature of instances raised to be provided to the Audit Committee. This report is also submitted to the Employment Matters Committee.

2. Background

2.1 The Council has agreed a number of policies to tackle all types of unlawful acts, including fraud, bribery, corruption, unethical conduct and malpractice regardless of who commits them, or where in the Council they are committed. These can be summarised as follows:

- Whistleblowing policy: This policy covers the procedure for anyone wishing to raise a concern relating to any unethical or unprofessional conduct within the council, including malpractice, and abuse and is designed to enable concerns to be raised without fear of reprisals or victimisation where disclosure is made in good faith.
- Anti-bribery policy: This policy sets out the Council's commitment to the prevention and detection of bribery and the arrangements in place to ensure compliance by Councillors and employees, including contractors, volunteers and consultants.
- Anti-money laundering policy: This policy sets out the Council's commitment to ensuring there are appropriate and proportionate anti-

money laundering safeguards to prevent, where ever possible, the organisation and its staff being exposed to money-laundering.

- 2.2 The Council’s Anti-Fraud and Corruption Policy states that regular reports will be made to this Committee on the number, nature and status of whistleblowing events. The requirement to report to members is repeated within the Council’s Whistleblowing Policy, Anti-Bribery Policy and Anti-Money Laundering Policy.

3. Whistleblowing concerns raised between September 2018 and September 2019

- 3.1 The following table summarises the three concerns raised under the Whistleblowing policy in the period September 2018 to September 2019:

Nature	Raised by	Outcome
Concern raised about financial irregularities.	External contractor.	Concerns did not fall within the Council’s whistleblowing policy. Referred to third party organisation and then to the police.
Concerns about racial discrimination	Employee	Referred to internal investigator. Investigation on-going.

- 3.2 For comparison purposes, the table below sets out the number of concerns raised under the Whistleblowing policy since 2010/11:

2010/11	2011/12	2012/13	2013/14	2014/15	2015/16	2016/17	2017/18	2018/19
5	1	3	4	4	4	1	3	2

- 3.3 Members will note that there are a small number of examples each year where whistleblowing concerns are raised. This year the concerns was raised by someone outside the Council and an employee. There does not exist any national evidence of what comparative numbers are for other similar sized Councils, so it is difficult to fully analyse the figures presented. These would not include concerns referred to a line manager, which are dealt with in the normal course of events.

- 3.4 Members asked for consideration to be given to reporting Medway Norse, Medway Commercial Group and Medway Development Company whistleblowing information to Audit Committee. Officers have liaised with the relevant Council side representatives (for Medway Norse, the Chief Finance Officer, for Medway Commercial Group, the Assistant Director Transformation and for Medway Development Company the Chief Legal Officer). No instances of whistleblowing cases have been reported.

4. Anti-Bribery and Anti-Money Laundering concerns raised from September 2018 to September 2019

4.1 Members are advised there are were no instances to report compared to one last year.

5. Risk Management

Risk	Description	Action to avoid or mitigate risk
Staff members and contractors with concerns with Whistleblowing process may release information into the public domain	Failing to promote the Whistleblowing policy or inform staff of the protections under the Public Interest Disclosure Act 1998 potentially increase the reputational risk to the Council.	Promote awareness of the Whistleblowing Policy and encourage staff to raise concerns through the confidential process. Whistleblowing officers have been identified to assist staff when raising concerns.
Reputational, legal and financial	Money laundering or bribery offences are committed by members of staff or supplier or customer leading to liability for the council	The agreed Anti-Money Laundering Policy and the Bribery Policy, provide information to staff and Councillors via the internet and through training.
Reputational, legal and financial	Agency staff, suppliers and contractors are not aware of the policy	Include reference to preventing money laundering and preventing bribery in contracts and tender specifications.
Failure to comply with the statutory whistleblowing legislation could bring the Council into legal breach, and cause loss of confidence in the use of whistleblowing as a confidential way of raising concerns of a serious nature.	Concerns that are raised under the scope of the policy are not managed appropriately and the whistle-blower may not be protected as allowed for under the statutory legislation.	Whistleblowing Officers have received appropriate training, and a current list of Officers is maintained on the Council Self-Serve 4 You system. 6. Financial and Legal implications

- 6.1 The Public Interest Disclosure Act 1998 protects a worker from victimisation or detriment following a disclosure made in accordance with the provisions of this act. The Whistleblowing policy has been developed in line with the provisions of the Public Interest Disclosure Act 1998. A written policy is indicative of good corporate governance practice. The policy also gives the council an opportunity to give prominence to the issues and to express its commitment to the legal protection offered to whistleblowers.
- 6.2 Implementation of this Policy enables the Council to comply with its various statutory obligations and is within the Council's powers. It is essential that a fair and consistent approach is to be applied to all staff in order to minimise successful legal challenges.
- 6.3 There are no direct financial implications arising from this report. However, a successful claim brought under the Public Interest Disclosure Act 1998, against the Council may result in a substantial financial award as compensation for a person who has suffered detriment under the Act.
- 6.4 A number of changes to whistleblowing law were introduced through the Enterprise and Regulatory Reform Bill 2013 (ERRA 2013) on 25 June 2013 and in March 2015, the Department for Business, Innovation & Skills published Whistleblowing: Guidance for Employers and Code of Practice. The guidance explains an employer's responsibilities with regard to employees who blow the whistle and recommends that employers use whistleblowing policies and ensure that they are promoted and accessible.
- 6.5 Section 148 of the Small Business, Enterprise and Employment Act 2015 has inserted a new section 43FA into the Employment Rights Act 1996 (ERA 1996), giving the Secretary of State powers to issue new regulations that require prescribed persons for the purposes of whistleblowing legislation to produce annual reports of the disclosures of information made to them by whistleblowers, but without identifying the workers or employers concerned. This new section 43FA came into force on 1 January 2016.
- 6.6 Under section 43F of the Employment Rights Act 1996, whistle-blowers may qualify for employment protections if they disclose information to a "prescribed person". Prescribed persons are mainly regulators and professional bodies but include other persons and bodies such as MPs. The relevant prescribed person depends on the subject matter of the disclosure. The list of prescribed persons is set out in the Public Interest Disclosure (Prescribed Persons) Order 2014. Under these Regulations prescribed persons are required to report annually on disclosures of information that they receive from workers, but without identifying the workers or employers concerned.
