**Subject:** OBJECTION : tens application Fort Amherst 7 Dec 2019 Charity black tie ball  
**Importance:** High

Hi Licensing ,

I wish to object to the above Tens application.

The reason for the objection is due to a recent event at the premises when numerous complaints were received from local residents by my team for noise nuisance.

The application does not give sufficient information to demonstrate that noise management has been considered. No information has been supplied to enable us to assess if residents will be affected by the event. Consideration may be given to withdraw the objection in the event that sufficient information is supplied.

Kind regards

Sarah
