Corporate Risk: SR02 Business continuity and emergency planning				Risk Owner: Director of RCET and Deputy Chief Executive				
				Portfolio: Business management (cross cutting)				
Inherent Score: CI		Target Residual Score: DII		Last Review: September 2019 Current Residual Score				
Threat / Inherent Risk Duties under the Civil Contingencies Act require councils to have an Emergency Plan. The Emergency Management and Response Structure may not be robust enough to respond to a major emergency. Every business activity is at risk of disruption from a variety of threats, which vary in magnitude from catastrophic through to trivial, and include pandemic flu, fire, flood, loss of utility supplies and accidental or malicious damage of assets or resources. The change of council assets / responsibilities going to either commissioned or third party contractors, Medway Norse or Medway Commercial Group also provides unique challenges to the established Roles and responsibilities during planning and response to Emergency Events.			Score CI	Trigger A significant adverse event occurs and the Council is found wanting or negligent in its planning and/or operational response. Consequence Response to event is not rapid, adequate nor effective. Lack of clear communication lines. Essential service priorities not clearly understood. Communication between agencies and the public is poor. There is a perception by residents that the Council does not have a visible presence at the Incident. Residents expect more from their Council. Local press quick to seize issue. Comparisons made with other local authorities and resilience groue A death, or deaths, in the community. Legal challenge under the 'Civil Contingencies Act 2004'.				
Current Residual Risk The Emergency Plan is subject to rigorous testing on a regular basis both internally and externally with the plan continually refined as a result to meet the ever-changing needs of the council and local area. An annual presentation on Business Continuity is included at a meeting of all council Service Managers. Assistant Directors are responsible for ensuring that the testing of business continuity plans has taken place. Testing to date has been completed during live incidents. The Corporate Business Continuity Plan is currently being refreshed and is aligned to the Emergency Plan.			Score DII				<u>Score</u> DII	
Mitigation Ref: Action Lead Officer Desired Outcome / Expected				Milestones	Progress upo			

SR 02.01: Continued review and develop the Council's Major Emergency Plan (MEP)including any Lessons Identified	Director of Regeneration, Culture, Environment & Transformation	Revised plan agreed by Corporate Management Team. Continued engagement with Kent Resilience Forum. Staff trained in emergency response management at all levels. A sustainable and robust on call rota in place at all levels. Existing plan in place. Programme of on-going review of COMAH plans. Emergency response operations room in place. On call rota in place covering all roles & responsibilities 24/7.	Draft plan in place. Call out arrangements in place covering all roles & responsibilities 24/7 (enhanced during LA stand down Periods). Relevant staff training during 2019.	Reviewed on 16 Sept 2019 no update required. The result of an internal audit review of the Council's Emergency Planning arrangements was presented to the Audit Committee in June 2017; the review found the Council's Major Emergency Plan effective with all relevant officers aware of their roles. The plan is subject to rigorous testing on a regular basis both internally and externally with the plan continually refined as a result to meet the ever-changing needs of the council and local area. The MEP has been tested during a number of Incidents during 18/19. A "Major Incident Response" report was presented to Business Support Overview and Scrutiny Committee in October 2017 and included information on the Council's preparedness for a Major Incident including Business Continuity arrangements. Medway Councils MEP and is due for review during the 20/21 period.
SR 02.02: Business continuity plans completed to implement the actions	Director of Regeneration, Culture, Environment & Transformation	All services will have an up-to-date and tested Business Continuity Plan. Business Continuity Management Policy agreed. Business Continuity Management principles and training provided to divisional management teams across the Council is ongoing. Corporate Recovery Plan. IT Recovery Plan in place.	Plans tested Business Continuity Audit 2017 actions completed in 2018.	Reviewed on 16 Sept 2019 no update required. A dashboard to monitor the refresh of business continuity plans by April each year is overseen by the Strategic Risk Management Group and reported six monthly to Corporate Management Team as part of the Corporate Risk Register. Assistant Directors are responsible for ensuring that the testing of plans has taken place. An annual presentation on Business Continuity is included at Service Managers Meeting in September each year. Service Managers are responsible for making staff aware of their Service Business Continuity Plan and their roles and responsibilities within it. This also forms part of the induction for all new staff.

Inherent Score: Al	Target Residual Score: CIII		Last Review: October 2019 Current Residual Score: Al			
Threat / Inherent Risk There continues to be a major risk over the balanced budget, whilst at the same time d to the people of Medway. The move away from central support from reliance on local taxation through council tax whilst providing local authorities with the of from growth, also brings with it significant response.	Government and greater ax and retained business rates, apportunity to benefit directly	AI	Trigger The years of austerity and annual reductions in central support from Government, allied to the capping of council tax increases and culmi the introduction of the business rate retention scheme. This has bee exacerbated by the demographic pressures in both adult social care children's care, pressures in relation to homelessness and pressures and prices, not least the national living wage. Consequence Very difficult decisions around funding allocation; Service cuts; Quality of service compromised; Cutback in staffing on an already lean organisation; VFM Judgement; Negative local publicity; Damage to reputation.	nating in en and		
Current Residual Risk The Council benefitted from its involvemen 100% business rate retention pilot. In spite pressures, it was able to increase general repressures in adult social care and children's emerging growth in the number of pupils we Health and Care Plans. This is a national preauthorities are reporting similar trends. If the quickly and decisively, this could place an inauthority finances. The Chancellor's recent Spending Round and 2019 offered some certainty for 2020/21 we budget, together with additional resources flexibility over council tax. However, this stoutlook beyond next year and the SEND issuresidual risk remains at A1.	e of significant demographic eserves by around £2.7m. Id in addition to the usual scare there is a rapidly with SEND requiring Education, oblem and most upper tier the Government do not act recoverable burden on local anouncements in September ith essentially a rollover for social care and greater cill make for a very uncertain	Score Al	Target Residual Risk The objective of the medium term planning process is to forecast the budget 'gap' over a number of years, taking into account assumptions around demographic, inflationary and other pressures and projecting forward the future funding from council tax, business rates and Government grant. Ultimately the aim would be to get to a position where the MTFS, through robust strategic plans, presents a balanced budget year on year, to providing assurance to the Council that its financial position is secure and sustainable. There will always however be a significant residual risk, as the MTFS is based upon uncertain assumptions in respect of the Council's tax base, the Government's finances, demographic pressures, inflation, interest rates and the economic climate.	Score CIII		

Mitigation				·
Ref: Action	Lead Officer	Desired Outcome / Expected Output	Milestones	Progress update
SR03B.01: Need to ensure effective response to the spending review, but also lobbying for greater local powers to raise revenues	Chief Finance Officer	Co-ordinate responses with members, brief MPs, agree media campaign, solicit support from peer authorities/partnerships Unmodified VFM opinion in respect of the adequacy of financial planning and effective budgetary control Increased devolution of tax raising powers to the Council	On-going	October 2019 An unqualified audit opinion including positive VFM conclusion was received in respect of the 2018/19 accounts. Officers responded to consultation around the future of local government funding and whilst the Spending Round was helpful, it still offers little certainty for 2021/22 and beyond. Even with the additional funding the budget gap for 2020/21 stands at around £6 million.
SR03B.02: Align priorities and activity of the Council to resource availability through MTFS process	Corporate Management Team	Robust financial planning and management, ensuring financial risks are identified and managed effectively Identification and delivery of a range of savings and income generating initiatives Co-ordinate responses with members, agree media campaign, solicit support from peer authorities Balanced budget with resources aligned to priorities, delivery of VFM and savings to ensure financial sustainability in the medium-term Unqualified VFM Judgement - adequacy of financial planning, effective budget control, balanced budget and adequacy of reserves	Medium Term Financial Strategy in September Capital and Revenue budget agreed by Council in February	Cabinet was asked to agree the Medium Term Financial Strategy and Capital Strategy in September, alongside the refreshed Council Strategy, aligning the financial strategies with the Council's corporate priorities. It identified a 'gap' between the budget requirement and the resources available of £6 million next year. It did however outline the Council's broad strategy to address this, with a view to delivering a balanced budget for 2020/21 The focus will be on addressing pressures within individual services, through transformation and efficiency, but there will also need to be some reprioritisation and reallocation of resources between service areas.
SR03B.03: Create resources for investment priorities	Corporate Management Team	Track funding opportunities Maximise capital receipts on asset disposal Prudential borrowing Revenue returns from investments and capital assets and appreciation in capital asset values	On-going	October 2019 The Council's current capital programme is ambitious and represents around £295million of investment. The major part of this will deliver economic regeneration in the form of more homes and commercial space, but will also generate net revenue returns and capital receipts

SR03B.04: Delivery of digital	Transformati	Development of high quality digital	On-going	October 2019
transformation programme	on Board	services Delivery of efficiency savings through		With the Transformation team now embedded in the Council's establishment, as 'business as usual', it will
		enhanced processes High quality digital services and reduced service delivery cost Improved value for money in delivery		not be allocated a specific savings target, but rather will be expected to support the whole organisation in delivering the savings required to balance the budget year on year, without recourse to reserves.
		of Council services		

The key to improving the effectiveness of the Council's financial planning and management is to address the uncertainty around future funding and improve the forecasting of cost pressures. Our external advisors and professional networks already provide the best available intelligence around Government expenditure plans, however the Finance Management Team have also been working closely with colleagues within the Planning and Regeneration teams, with a view to more accurately projecting future council tax and business rates. The way the accountants work with managers has subtly changed too, with financial forecasts produced more collaboratively and with a view to achieving a consistent narrative running through the quarterly monitoring and the future financial plans.

Finally, the Medium Term Financial Strategy has, as its theme, financial resilience and sustainability, with a clear focus on managing and rebuilding reserves.

SR 09b.04: The additional demands of the SEND reforms and increase in the number of children with complex needs and those excluded from school place significant pressures on the Dedicated Schools Grant High Needs Block.	Director of People - C&A	Improved outcomes for children and young people as per SEND strategy Ensuring service delivered within budgetary constraints. Good management information to inform commissioning and robust challenge. Provision made within budget SEND Strategy developed and implemented. Joint SEND Improvement Action Plan developed with CCG. Need strategy for pupils excluded and those at risk of exclusion. Early Help/Intervention services needs to be designed/implemented.	Less out of area SEND placements More children being educated in mainstream schools with outreach Increased local specialist provision Fewer exclusions fixed term and permanent	Pressure on budgets continues due to further demand increases. There continues to be a significant rise in the number of EHCP requests and requests for increases support funding for children from schools. A deficit recovery plan for the DSG has been submitted to the DFE and engagement with officials is awaited. Joint SEND Strategy has been developed in draft and is currently going through CCG and Local Authority governance and this process is expected to be completed by November.
SR 09b.05: The recent SEND Inspection highlighted strengths and areas of improvements. The Council and Clinical Commissioning Group were required to submit a Written Statement of Action in April 2018. This was accepted by Ofsted and NHS England.	Director of People - C&A Director of CCG	Successfully implement the 2014 SEND reforms; this is demonstrated by Ofsted, NHS England and the Minister for Education agreeing in February 2019 that Medway has achieved all improvements in the written statement of action which addresses the eight significant areas of improvement in the SEND inspection outcome letter. Good management information to inform decision making of the SEND improvement board. Data and Performance information supports with the strategy and improvement plan. Improvement against the statement of action.	There are four NHS England and Ofsted and scrutiny meetings between July 2018 – February 2019 Milestones would be for the outcome of the meetings be favourable	September 2019 We are now 19 months into the Written Statement of Action work. We anticipate that we will have SEND Re-Visit before December 2019. The preparation for this is underway and work is monitored via the SEND Improvement Board, as chaired by the Lead Member for Children's Services, and Chief Nurse of the CCG. The last DfE / NHS England SEND Monitoring Meeting took place in July 2019 and it is not anticipated that there will be further monitoring meetings prior to the revisit.

and partners have been issued with the Joint Targeted Area Inspection (JTAI) findings and recommendations, following the inspection regarding Children living with Domestic Abuse. SR 09b.07: Ensure	People - C&A & Public Health Director of CCG Chief Superintenden t Kent and Medway Police Director of	outcomes for children living with domestic abuse. Reduction in first time entrants,	completed Launch strategy Use of intelligence informs commissioning	Update report against the JTAI was taken to MSCB exec in June. Many actions now complete or overshadowed by the Ofsted inspection. Meeting to review and potentially close down the action plan booked in for October. September 2019
practitioners are equipped to be compliant with any changes in the Youth Justice system and that monitoring systems are in place to track this.	People - C&A	reoffending, use of Custody. Effective analysis of data to inform practitioners input Ensuring service delivered within budgetary constraints. Magistrates have confidence in interventions. Suitable placements are developed for vulnerable children which keep them safe and enable magistrates to impose an order as an alternative to secure remand. Performance is monitored monthly (proxy figures) and quarterly (YJB information). YOT Board meets quarterly to oversee provision, steer development and monitor progress.	MoJ for developing alternatives to custodial remand is used effectively for innovative support and budget not exceeded by custody bill.	Applied national standards in full and kept some old standards to ensure we maintain a high expectation on practice. Data and performance improving and using the national YJAF system to better use. Audits continue to reflect good work and we are consistent. Feedback in focused visit spoke positively on the work of YOT. New delivery plan recently sign off by the partners and the youth justice partnership board with an aim to complete a new strategy for April 2020. Also strengthening the training for staff around trauma informed practice. Also some work around disproportionality taking place so Medway YOT ready for changing cultural needs for the young people we support. Visit to Essex has helped Medway YOT look at and focus on vulnerable young people (CSE, Missing and Gangs). Focus of new plan is on safeguarding, risk and desistance.

				търгия
SR 09b.08: A comprehensive strategy in place to ensure that partner agencies work cooperatively to identify and deal with children and young people (CYP) who are identified as, or at risk of becoming, victims or perpetrators of Child Sexual Exploitation (CSE) and missing. All professionals, voluntary groups and the wider community including hard to reach groups are aware of, and have an understanding of CSE and missing. Implement findings of review of CSE unit.	Director of People - Children & Adults	Ensure that we have a comprehensive strategy in place for CSE and missing. All professionals working directly with CYP have an understanding and knowledge of CSE and missing; and develop appropriate skills. Increase the awareness and understanding of CSE and missing by all professionals, voluntary groups, wider community including hard to reach groups. Improvement of identification, prevention, support disruption and prosecutions. Development of a reliable multiagency data set. Comprehensive joint Kent and Medway Local Safeguarding Children Board strategy for CSE has been signed by the Medway Safeguarding Children Board (MSCB) and missing protocols in place via Children's Social Care. Multi agency and single agency approved consistent training is completed by all staff. All child protection courses make direct reference to CSE and missing Awareness raising campaign agreed and implemented.	The Kent and Medway CSE strategy has been reviewed and recommendations operationalised. Any review will be signed by the MSCB in the forward plan All relevant staff complete available CSE training. Case management systems capable of recording CSE cases. Analysis and identification of victims through data analyst within CSE Unit; social work pathways for identified victims; themes and early identification to safeguard young people in Medway.	September 2019 In response to the Ofsted recommendations, the missing and exploitation panel TOR and membership are being reviewed. Vulnerable young people discussed are reviewed 6-weekly to ensure that there is management oversight in respect of how the risk is managed and the impact of the safety plan. The aspiration is for YP where the risk has not reduced or has risen when reviewed, consideration will then be given to escalate to a contextual safeguarding conference.
SR 09b.09: A comprehensive strategy in place to ensure that	Director of People - C&A	An area wide group – Community Safety Partnership, Medway YOT Board and MSCB - co-ordinates and	From January 2017	September 2019 RHI post appointed to on 27 th September 2019.

		Дренак
partner agencies cooperate to identify and deal with CYP who are identified as, or at risk of becoming, victims or perpetrators of CSE, missing, have been radicalised or are at risk of radicalisation. Other professionals and community groups have an understanding and an awareness of the Governments Prevent agenda	monitors Prevent work. Vulnerable young people are safeguarded and risks to the community are minimalized Medway agencies share information on vulnerable young people at risk of radicalisation. Child Protection courses cover the risk of radicalisation Community groups are offered training to raise awareness of the Prevent agenda and to identify young people who might be at risk of radicalisation.

Medway's regeneration plans seek to mee population growth of 50,000 people in Me and 29,000 new homes in the next 20 plus. There are challenges for the provision and infrastructure. Particular areas of concern health and water capacity. It is vital the benefits are felt by the populanew jobs are not only filled by people from of commuting out are addressed. Economic uncertainty could delay regenerations.	dway, with up to 20,000 jobs years. maintenance of effective are flood protection, highways, ation of Medway, so that the noutside the area, and trends	BII	 The Council fails to deliver its economic, social and infrastructure regeneration programme. House/property building companies start to delay developments. Potential lack of companies wanting to locate in Medway. Consequence Regeneration projects not completed. Potential damage to Council's reputation. Not able to meet member, government and the public's expectations. Deteriorating physical and infrastructure assets. 		

Ref: Action	Lead Officer	Desired Outcome / Expected Output	Milestones	Progress update
SR 17.01: Outline infrastructure needs identified.	Director of RCET	Identification of inward investment priorities. Progressing key regeneration sites and infrastructure plan jointly with KCC. Production of Infrastructure Delivery Plan (IDP) to support Local Plan.	Secure funding 20 year development programme Preparation of IDP to support submission of Local Plan — December 2019	The Housing Infrastructure Fund (HIF) business case was submitted to central government to schedule in March 2019 This opportunity, if successful, would see the development of rail, highways, schools and other infrastructure to unlock the development of up to 10,600 homes and 30,000 construction-related jobs on the peninsula. The Council continues to progress essential design works for elements of the HIF bid whilst waiting for a decision from MHCLG. There have been no formal announcements from Central Government as to when the next tranche of funding will be granted and bid results are being released on an adhoc basis with no notice. The Council hopes to get a decision before the end of the calendar year and continues to lobby for a decision as soon as possible. Local Growth Fund (LGF) funded projects (with a combined value of over £40m) continue to make a major contribution to infrastructure delivery in Medway. £1.5m additional funds were allocated to the

				Innovation Park Medway project in April 2019 from LGF3b, and work is nearing completion in Strood Town Centre's £9m regeneration project. Three projects – Cycling Action Plan, Civic Centre Flood Defences and Chatham Placemaking – are now fully or substantially complete.
SR 17.02: Homes England) alerted to the impact of lack of funding and dialogue opened with External Partners.	Director of RCET	Homes England confirm any funding commitment to projects and plans for their sites. Funding identified to continue regeneration.	Regeneration projects agreed with Members	A HIF bid for £170m of infrastructure interventions on the Hoo Peninsula to directly enable the delivery of 10,600 homes was submitted in March 2019. From then until the end of May there was continued dialogue with Homes England (HE) to clarify points in the bid and to inform the recommendation report to the decision makers in MHCLG. The Council continues to progress essential design works for elements of the HIF bid whilst waiting for a decision from MHCLG. There have been no formal announcements from Central Government as to when the next tranche of funding will be granted and bid results are being released on an adhoc basis with no notice. The Council hopes to get a decision before the end of the calendar year and continues to lobby for a decision as soon as possible. There is a dedicated External Investment Officer in the Regeneration Delivery Team, and a virtual External Investment Working Group with cross-service membership, which identifies funding opportunities and prioritises bids based on Member and strategic priorities. This is reflected in a pipeline list of projects.
SR 17.03: Regular meetings with stakeholders including developers to lever in external funding and bring forward transformational programmes.	Director of RCET	External financial arrangements to fund transformational programmes and deliver plans that are implemented on time and to budget. Investors come forward for regeneration sites.	As detailed in individual delivery plans.	SEPTEMBER 2019 A HIF bid for £170m of infrastructure interventions on the Hoo Peninsula to directly enable the delivery of 10,600 homes was submitted in March 2019. From then until the end of May there was continued dialogue with Homes England (HE) to clarify points in the bid and to inform the recommendation report to the decision makers in MHCLG. The Council continues to progress essential design works for elements of the HIF bid whilst waiting for a decision from MHCLG. There have been no formal announcements from Central Government as to when the next tranche of funding will be granted and bid results are being released on an adhoc basis with no notice. The Council hopes to get a decision before the end

				of the calendar year and continues to lobby for a decision as soon as possible. There has been a continued dialogue between HE, Moat, Orbit and Medway Council in regard to addressing the funding gap in redeveloping Kingswear Gardens. Moat, Orbit and the Council have agreed to fund further viability work to establish when the funding gap will become an issue. The commissioning and completion of this work will be done by Q3. Once complete, HE will consider whether they can fund the shortfall to make the development
SR 17.04: Working with the Local Enterprise Partnership to attract funds to Medway.	Director of RCET	External financial arrangements to fund transformational programmes and deliver plans that are implemented on time and to budget. Create and protect longterm jobs in the private sector, and programmes which will deliver sustainable jobs. Growing Places Fund (GPF): £4.4m Rochester Riverside; £2.99m Chatham Waterfront. £650K Innovation Park Medway £41.7m Local Growth Funding from the Local Enterprise Partnership.	As detailed in individual delivery plans.	Medway has made successful bid submissions to SELEP for nine LGF projects, totalling over £40m across four bidding rounds. This includes the April 2019 award of £1.5m of LGF3b funding to the Innovation Park Medway (IPM). Medway has also successfully bid for over £8m across three rounds of Growing Places Fund (GPF) loan investment, supporting Chatham Waterfront, Rochester Riverside and the Innovation Park Medway. Medway Council is a member of the SELEP's Local Industrial Strategy Core Working Group, seeking to define growth priorities for the region, for approval by central government. The Local Industrial Strategy will inform future funding from central government.

SEPTEMBER 2019 We have received notification from Historic England that the
funding opportunities.	Physical and	Additional funding streams identified and secured.	owned sites.	Heritage Action Zone submission for Chatham Intra / Heritage Quarter was successful. The maximum award will be £1.6m.

SR17.07: Submission of a successful Business Case for Housing Infrastructure Fund (HIF) funding for the peninsula.	Assistant Director Physical and Cultural Regenerati on	Delivering major infrastructure improvements to unlock the potential of the Hoo peninsula. £170m secured via a successful Business Case submission.	Business case submitted either December 2018 or March 2019 Decision 4 months post submission.	Command of The Heights: We have also been successful in a Heritage Fund grant increase application of £215k. This sum will bring the newly found archaeology at Riverside 1 into the public realm. The Future High Streets Fund for Chatham continues to be progressed with a Development Grant of up to £100k. A full Business Case for up to £14m will be submitted in April 2020. HIF: We continue to track government decisions on previous rounds of HIF applications, whilst awaiting notification of the £170m New Routes to Good Growth bid SEPTEMBER 2019 A HIF bid for £170m of infrastructure interventions on the Hoo Peninsula to directly enable the delivery of 10,600 homes was submitted in March. Since then till the end of May there was a continued dialogue with Homes England to clarify points in the bid and to inform the recommendation report to the decision makers in MHCLG. The Council continues to progress essential design works for elements of the HIF bid whilst waiting for a decision from
(HIF) funding for the	Regenerati		Decision 4 months post	continued dialogue with Homes England to clarify points in the bid and to inform the recommendation report to the decision makers in MHCLG. The Council continues to progress essential design works
			submission.	MHCLG. There have been no formal announcements from Central Government as to when the next tranche of funding will be granted and bid results are being released on an adhoc basis with no notice. The Council hopes to get a decision before the end of the calendar year and continues to lobby for a decision as soon as possible.

The current regeneration programme is large and is being supplemented by the programme of works planned by Medway Development Company and the partnership with Norse Commercial Services. This means that the Council's capacity is already stretched, however the Council has demonstrated its appetite for a 'mixed economy' of approaches to deliver regeneration and new opportunities are being explored with other partners, including private sector organisations.

We have rolled out the 3 conversations approach, which aims to prevent, reduce and delay the need for services, and there is evidence that this approach has helped to manage demand into the service. Levels of safeguarding enquiries have increased in the last two years, and this is putting pressure on resources within the service. Significant work has been undertaken in partnership in regard to hospital discharges, significantly reducing and maintaining a reduction in the number of DTOCs. Providers will be impacted by the agreement for the provision of a fee uplift. The recent government ruling on 'sleeping in' charges will reduce their financial burden.		CII	sustainably, using the practice through the	ormation programme will enable us to work the right tools, delivering strengths-based as 3 conversations approach to deliver our elities and services in the most cost effective	DII

SR 25.01: Commissioning sufficient capacity and a suitably wide range of services to meet need. Prevention, including technology enabled care services, early help and short term services to maximise independence. Close management oversight, and action as required, to manage the budget. Short term management actions are being taken to reduce any overspend.	Assistant Director Adult Social Care	Best outcomes for people (as per their support plans) and best value for the Local Authority as statutory body and commissioner. A safe and stable local sector of providers that can meet our local needs and provide high quality care and support to older people, disabled adults and carers. All clients are offered Personal Budgets/Direct Payments. Joint strategies and commissioning plans with NHS. The Provider Forum engages the sector and assists us to work in partnership in a meaningful and effective way. ASC Strategy and associated key projects.	Personal Budgets performance as per KPI. Category Management project on high cost placements End of year spend within budget. Programme developed and underway. Dynamic Purchasing System. Increase the	The 3 conversations approach, which aims to prevent, delay and reduce needs has been rolled out across the service. The proportion of people receiving Direct Payments has not increased to the level required to meet our target. A project is being taken forward to improve the market development of alternatives to day, residential respite provision such as short breaks with the aim to increase uptake of direct payments but offer carers and service users more choice The reprocurement of MICES, Home Care and Extra Care services are underway.

		Monthly scrutiny of budgets at Adults Management Team and audits of practice and Personal Budgets/Direct Payments. Management action as required.	number and effectiveness of reviews. Reduction in delayed transfers of care	The Nursing and Residential services (older people and Working aged adults) commissioning is being scoped and a PID developed. Once these services are awarded Adult Partnership Commissioning will develop an Implementation Plan to deliver our strategic commissioning priorities.
SR 25.02: Deprivation of Liberty Safeguards (DoLS) post Cheshire West judgement, resulted in a rapid increase in the number of applications for DoLS, challenging several parts of the system – administration, Best Interest Assessors, Advocacy services. Risk of legal challenge and breaching statutory timeframes.	Director of People Children & Adults Services	People in receipt of Health and Social Care Support are not deprived of their liberty illegally. DoLS applications to Medway as a Supervisory Body are processed and assessments carried out within timeframes. DoLS process is digitalised to create efficiencies Increase in training for BIA's. Expend the number of senior officers to act as authorisers	Reduction in the number of DoLS cases awaiting authorisations	The Council continues to triage all DOLS referrals and to carefully prioritise using the ADASS screening tool. Any person who is actively objecting to a proposed deprivation of liberty (e.g. attempting to leave a care home when they lack the necessary mental capacity to make this decision and may be at risk) is assessed swiftly. The number of cases waiting assessment has been further reduced to 165, from a peak of some 450 with 105 currently waiting to be authorized (down from 131 in October 2017). Prior to the Cheshire West Judgement there were approximately 13,000 (2014-15) DOLS applications per year in the UK. This increased to 230,000 in 17/18 (Source NHS Digital). As a consequence, Local Authorities across the UK are struggling with DOLS assessment backlogs, which the rollout of the forthcoming Liberty Protection Safeguards legislation, in October 2020 seeks to address.
SR 25.04: To work with Health colleagues to develop a vision for integration at a Medway level. To identify what the Integrated Care Partnership will look like. Agree how the IBCF funding will	AD Adult Social Care	To describe Medway's potential for integration by nationally set timeframes Working closely with Health partners and voluntary sector to agree what the local care offer will	To be able to define what the local Care offer will be from April 2017. be used to meet the strategic objectives as set out by the DOH and DCLG		be. Involvement in STP Boards to ensure the LA gets a Voice.	Involvement in public Consultation Summer 2017	Key senior offers are involved at every level an aspect of this system change to ensure Medway has a strong voice.
				All the Kent and Medway clinical commissioning groups (CCGs) have now agreed they want to form a single CCG to improve care for local people. The merger application is going to be submitted to NHS England and NHS Improvement on Monday 30 September. This follows votes in favour by the GP members of each CCG, and approval of the merger application paperwork by the eight governing bodies. A decision from NHSE/I is expected in November. If approved, the single CCG will go live on 1 April 2020.
SR 25.05: That the intermediate care, MICES, rapid response and discharge arrangements to-put additional pressure on the ASC budgets	Director of Public Health & Assistant Director Adult Social Care	Additional pressure not put on ASC budgets Delivery of effective Integrated Commissioning activity.	Ensure appropriate contributions from health. Complete targeted reviews of ASC cases Underway. Approval granted for MICES to be re-procured. Utilising BCF/IBCF monies effectively to minimise impact on	Delayed Transfers of Care are now consistently low and hospital discharge arrangements will be further strengthened by the creation of a completely integrated hospital discharge service, led by a single head of service. The impact on social care and MICES equipment service is being monitored and management action is in place and is proving effective in keeping the MICES service within budget. The Transforming Care Programme is an emerging risk as significant facets of this remain unresolved at national, regional and local levels. Any potential pressure from the intermediate care, rapid response and discharge arrangements is being counterbalanced by current work underway to provide greater efficiencies across the health and social care system including development of Integrated Discharge Service, streamlined discharge pathways to community and real time visibility and flexibility of community beds

		· · · · · · · · · · · · · · · · · · ·
	social budgets. Ongoing	providing a more dynamic effective way of managing cost and demand pressures.

A project to develop a new approach to the delivery of Community Based Care, with an increased focus on personalisation and the use of Direct payments is currently being scoped as part of the next phase of our transformation. The recommissioning of our domiciliary care framework is intended to enable further alignment with community health services, and to provide greater resilience of provision. This includes plans to embed pilot projects, such as a Homecare Bridging Service, which has helped us to maintain low levels of DTOC.

Threat / Inherent Risk Our Transformation Programme involves an increased reliance on digital technology both for customers and the Council. This brings with is an increased information risk particularly regarding personal and health data. Conversely not sharing information with partners and others minimises the Council's ability to improve service delivery and reduce costs. There is also a duty to share information in the interests of client care (Caldicott 2 Report). Local Authorities are required to achieve Level 2 on the Information Governance toolkit; however opportunities to improve the Council's position with respect to the IG toolkit requirements have been identified. Failure to achieve level 2 will mean that Medway Council will lose its trusted partner status with respect to the Kent and Medway information sharing agreement. Greater flexibility for the workforce using digital tools brings risk. Greater availability of information from the Council brings risk.			 Trigger Budget pressures ICO Audit reveals areas for improvement Digital Strategy Big Data project with academics Annual information governance toolkit submission Consequence Data loss leads to damage to reputation. Not achieving cost efficiencies through Digital Strategy changes Failing to achieve Members' expectations. Failing to find new innovations Failing to deliver good quality care for residents of Medway 				
Current Residual Risk		Score	Target Residual Risk	Score			
Current Residual Risk The Council has a Senior Information Risk Officer (SIRO) and a Caldicott Guardian. The Council has a Data Protection Officer. The Council manages information risk through a Security and Information Governance Group (SIGG). The Council has a suite of information governance policies. The Council has information sharing agreements and protocols in place. The Council has taken part in a "Big Data" project without any risks materialising. Training to all officers and to Members is being rolled out successfully.		CII	Human error is completely eradicated from data and information scenarios. Data breaches are very rare and when it occurs corrective action is taken quickly, learning implemented and accountability for future improved performance identified. Information sharing is commonplace and well managed.	DIII

SR 33.03: The provision of and referral to money advice services.	Chief Finance Officer	Customers have access to free and independent advice, to assist them in personal budgeting and managing debt. Specification for service provision. Consider options and commission services. Publicity and sign-posting to service		Number of referrals made to new service	October 2019 A variety of approaches used, including in-house ar voluntary sector providers, however as reported la time the partnership agreement with the DWP for Universal Credit customers has been superseded by a national contract between the DWP and CAB.	
SR 33.04: Closer working with the DWP in relation to	Chief Finance Officer	Deliver the Council's committerms of the Delivery Partne		Number of joint events held with	October 2019 Successful roll out of Universal Credit for families	

the implementation of Universal Credit.		Agreement. Undertake joint working arrangements with DWP. Undertake joint publicity and signpost UC claimants to the DWP. Support claimants with the online application. Formalise debt advice services.	partners to promote Universal Credit Numbers using the assisted digital offer Numbers referred to debt advice services.	from May 2018. Delivery of debt advice and assisted digital services continues. Comprehensive programme of training delivered with DWP colleagues to officers, Members and other partners. Assisted Digital Service (ADS) now offered at hubs/libraries throughout Medway. Three trained members of the council's Benefit staff provide Personal Budgetary Support (PBS) to customers. This is by appointment and held at Job Centre Plus office.
SR 33.05: Review of the HRA business plan to address the impact of the 1% reduction in rents and the high value subsidy figure which is being legislated in the proposed Housing Bill.	Head of Housing	The Council needs to have a clear understanding of future viability of HRA business plan, allowing the Council to plan effectively for the future provision of the service. Review of the business plan once the Housing and Planning Bill has been passed and the high value subsidy figure is announced (expected June 2016) Consult on the plan with HRA tenants and present to BSD O&S.	Monitoring of Business Plan annually Quarterly budget monitoring. O&S report on revised HRA business plan – October 2016	The HRA Business Plan ihas been amended to take advantage of the Government's decision to remove the borrowing cap on the HRA. In spite of the roll out of UC, tenant arrears remains under control. The Government had announced that the full migration to Universal Credit will not be required until 2023, rather than the original date of 2020. In terms of the 1% rent reduction, the third year of four was implemented from April 2018 and the Government have confirmed that local authorities will be able to increase rents once again from April 2020 by CPI plus a maximum of 1% above this rate. The revised HRA business plan has accounted for this.
SR 33.06: Delivery of the Employment Programme	Manager of 'Employ Medway'	Support long term unemployed people into sustained employment. Generate reward grant to fund activity.	Targets set under the programme	September 2019 Between August 2009 and January 2018 Employ Medway has supported 2,150 long-term unemployed or disadvantaged local residents into work. The Work Programme alone has resulted in 15,946 months reduction in benefit payments (housing, council tax and DWP benefits) with an estimated value of £9.5 million. From January 2018, the Work Programme was superseded by the Work and Health programme —

				designed to support people with health conditions into employment. To date, 47 people have been supported into work through the programme. The contract has been challenging to deliver which is being mirrored at a national level. Officers are investigating options of the best way to deliver the contract.
SR 33.07: Delivery of the Local Welfare Provision service	Director of Public Health	Provision of funds to people in urgent need of support, to prevent the requirement for statutory services with more significant needs and problems.	Regular reporting of how funds are used	The Local Welfare Provision has been recommissioned. A new service started January 2019 as part of the Medway VCS 'Better Together' Consortium. The service is delivered by Citizen's Advice Medway as part of the Welfare, debt and advice service Lot. The annual allocation for Welfare payments is £40,000 and is drawn upon on a monthly basis based on activity. In the first two quarters 228 people have been supported through the service using a range of interventions and support. This includes debt advice and IAG and food vouchers. This has resulted in only 93 people requiring a payment.

Use of Mosaic and Power BI to better understand the impact of the welfare reforms on the people of Medway.

of interventions to reduce the issue	Head of Housing	Reduction to the amount of visible rough sleeping activity in the area and relating complaints and media attention. Clear strategy in place for tackling cold weather provision and associated	established through strategic group.	being consulted on and sets out a range of actions that demonstrate how the Council intends to intervene. The service has been successful in achieving approximately £1.3m in funding from MHCLG that has allowed for more than 90 rough sleepers to be placed in to accommodation. Work continues with the sector to
SR35 M: Ensure that ontions	Assistant Director	Adoption of a Dynamic Purchasing	Monitoring	develop sustainable plans for support to further alleviate rough sleeping. September 2019
SR35.04: Ensure that options for the provision of temporary accommodation are transparent and reviewed in light of grant funding changes rather than subsidy to ensure that Medway is providing cost effective accommodation options.	Assistant Director Physical and Cultural Regeneration/ Head of Housing	Adoption of a Dynamic Purchasing System (DPS) for the Council to secure accommodation in the Private Sector. Effective/Accurate Budget Monitoring Further increase options for lower cost TA provision. Implement a "tenancy management" type structure for management of TA – Maximising the income achieved via Housing Benefit Minimise rise in price for TA units in the private sector Emergency use only for TA Provision that is outside of usual pricing structure.	Monitoring throughout 2017/18 Governmen t P1E quarterly returns. Budget Monitoring	Reviewed on 16 Sept 2019 no update required. The Council's performance in relation to households in temporary accommodation continues to be strong, with the service seeing little overall growth in the last two financial years. Income collection from temporary accommodation has improved considerably and continues to offset spending. Further proposals are being developed as to how the Council can diversify its provision of temporary accommodation to reduce the reliance on the private sector.

Opportunities and the way forward

Further opportunities could be explored to diversify the type of temporary accommodation needed for use by the Council. This will need capital investment, but would limit the amount of funding lost to the private sector.

Opportunities may be available to increase the amount of prevention of homelessness support offered by the Council by utilising the existing temporary accommodation budget.

Corporate Risk: SR36 Alternative service of	delivery models		Risk Owner: AD Transformation, Chief Legal Officer, Chief Finance Officer				
	·		Portfolio: Leader's				
Inherent Score: BII	Target Residual Score: CIII		Last Review: October 2019 Current Residual Score: BIII				
Threat / Inherent Risk A growing number of council services are operated through alternative delivery models including outsourcing/insourcing, trusts, joint ventures, Local Authority Traded Companies, partnerships and shared services and joint commissioning. The primary driver for entering into such models is typically to reduce costs while protecting service delivery and building resilience. A lack of robust management of these delivery models can lead to underperformance. The new models have increased and more complex governance arrangements than traditional in-house delivery. Weak or ineffectual oversight / management / monitoring by the council as expertise is transferred to the new delivery model. Failures in governance that expose untreated risk.		Score BII	Triggers Weak options appraisals/businesses cases; opportunities overstated as commercial markets are not realised, and risks understated. Failure to effectively manage (staffing, relationships, agreements/contracts) the transition between the council and the service delivery model. Limited due diligence conducted on new service provider or key individuals in that provider. Weak or unclear agreements/contract and governance arrangements. Failure of a provider, risking failure to deliver services. Consequence Failure to meet statutory responsibilities to residents. Unexpected costs from new delivery model. Delivery model not sustainable; responsibility for delivery of function unexpectedly transfers back to the council. Reputation of council damaged by activities of delivery model. Council or delivery model expectations not met by new arrangements. No option to renegotiate terms if circumstances change. Reduced influence / control of the council. Delivery model operates at a loss with deficit met from local taxation Failure to effectively manage the transition between the existing delivery model for SEN Transport and a new Service Delivery Model being				
Current Residual Risk All alternative delivery models are required that are considered at Corporate Manager Cabinet. SR 37.06 Malware prevention: Malicious software, or malware is an umbrella term to cover any code or content that could have a malicious, undesirable impact on systems. Any exchange of information carries with it a degree of risk that malware might be exchanged, which could seriously impact your systems and services. The risk may be reduced by developing and implementing appropriate anti-malware policies as part of an overall 'defence in depth' approach.	Head of ICT	Policies in place to monitor and capture known malicious code.	Certified PSN compliance – April 2019	
SR 37.07 Monitoring: System monitoring provides a capability that aims to detect actual or attempted attacks on systems and business services. Good monitoring is essential in order to effectively respond to attacks. In addition, monitoring allows you to ensure that systems are being used appropriately in accordance with organisational policies. Monitoring is often a key capability needed to comply with legal or regulatory requirements	Head of ICT	Security Incident and event management (SIEM) systems in place.	Certified PSN compliance – April 2019 Bid for funds against LGA cyber security budget – November	September 2019 Reviewed on 16 Sept 2019 no update required. Certification complete January 2019. Reaccreditation required January 2020

			2019	
SR 37.08 Removable media controls: Removable media provide a common route for the introduction of malware and the accidental or deliberate export of sensitive data. You should be clear about the business need to use removable media and apply appropriate security controls to its use.	Head of ICT	Removable media policies in place with security controls on user devices	Certified PSN compliance – April 2019	September 2019 Reviewed on 16 Sept 2019 no update required. Certification complete January 2019. Reaccreditation required January 2020
SR 37.09 Home and mobile working: Mobile working and remote system access offers great benefits, but exposes new risks that need to be managed. You should establish risk based policies and procedures that support mobile working or remote access to systems that are applicable to users, as well as service providers. Train users on the secure use of their mobile devices in the environments they are likely to be working in.	Head of ICT	Policies in place to ensure mobile working devices are managed and monitored for security breaches. Two factor authentication (2FA) policies in place to manage remote access to systems	Certified PSN compliance – April 2019	

Opportunities and the way forward

Further accreditation to the Cyber Essential Plus standard would provide further assurances that industry standards of Cyber Security prevention are in place. Medway Council will be working with Kent Connect partners to achieve this level of accreditation in 2019.

The ICT department is undergoing a restructure that will be complete by Mid-July 2019. Part of this reorganisation is the creation of a new range 7 post called "ICT Network & Cyber Security Manager", which will assume responsibility for ICT security.

Corporate Risk: SR38 Transfer of Waste Contract To Medway Norse			Risk Owner: Assistant Director Front Line Services Portfolio: Front Line Services				
							Inherent Score: All Target Residual Score: EIII
Threat / Inherent Risk		Score All	Triggers A deal is not secured for a new depot. Failure to transfer service requests from council systems to Norse for action. Failure to allocate responsible for the ICT connection and build. Legal documents are not completed on time. No recyclate disposal and transfer station agreement. Consequence Failure to mobilise waste service. Increased operational costs. Mobilise from a temporary site (eg Pier Approach Road). Demoralised workforce. Reputational damage – media. Increased air pollution and congestion. Regulatory risk if operations are unlicensed. Increased complaints and customer enquiries. Failure to deliver corporate performance targets. Collected recycling sent for landfill/energy recovery				
Current Residual Risk The Council and Medway Norse have very seamlessly transferred the waste collection. Pier Approach Road depot on 1 October 2. The collection and cleansing budget has be and waste teams. Council and Norse systems have successful communication. Legal tasks are complex but progressing we towards sign of in October. The Veolia waste transfer and recycling dies signed with full legal documents to follows.	on and cleansing contract from 019. een agreed by council finance of the council finance o	Score EIII	Target Residual Risk Legal terms agreed with Medway transfer and disposal. Opportunities and the way forward

Transferring the waste collection and cleansing contract to Medway Norse allows greater service flexibility allowing in contract changes. Moving forward opportunities from Transformation will be investigated once the Confirm-Bartec integration has been established.

Electric vehicles were considered for the street cleansing fleet, however the technology is in its infancy and the charging infrastructure in Medway would not support HGV options. Low emission vehicles have been chosen where possible.

Waste ICT integration learning will be used when planning the Grounds Maintenance eforms integration with Medway Norse Bartec Collective system.
