Cadet 150

On 8 May, the four Cadet Forces held a parade and service at Rochester Cathedral to celebrate the 150th anniversary of the Cadet movement.

This was the Cadet Forces' flagship event in Kent, and was facilitated by the Council.

Summer events

Both the Sweeps and Dickens festivals were very successful again this year; the Fuse festival has begun and the Castle Concerts are fast approaching. The Undersiege event for young people will also take place for the third year.

On Friday 18 June, a week long Festival of Sport will begin at Medway Park.
