

**COVID19 Care Home Support > Implementation Status**

Local Authority:  Contact name:   
 Total number of CQC registered care homes in your area:  E-mail:   
 Please submit local plans (covering letter and this template) to [CareandReform2@communities.gov.uk](mailto:CareandReform2@communities.gov.uk) by 29 May

**Complete**

\* Guideline for the field "Number of Care Homes"

**Number of Care Homes** Please enter the number of Care Homes in your local area, where the corresponding action or support is in place

*\*Please enter the number of registered Care Homes in your local area, where the corresponding action or support is in place*

Key COVID19 Support Actions for Care Homes	*Number of Care Homes (Please see note above)	Would additional support be helpful to progress implementation further? (Yes/No) <i>If Yes, please offer a brief description of the type of support that would be helpful</i>	Please indicate any issues that you would like to highlight (optional)
<b>Focus 1: Infection prevention and control measures</b>			
1.1 Ability to isolate residents within their own care homes	46	No	46 of the 50 homes that have responded indicated they had the ability to isolate residents. All homes are currently being trained on all aspects of Infection Control through the national programme.
1.2 Actions to restrict staff movement between care homes	45	No	45 of the 49 homes that have responded indicated that they have taken action to restrict movement of staff.
1.3 Paying staff full wages while isolating following a positive test	22	No	22 of the 45 homes that have responded indicated that they are paying their self isolating staff a full wage.
<b>Section complete</b>			
<b>Focus 2: Testing</b>			
2.1 Registration on the government's testing portal	32	Yes	32 of the 50 homes that have responded indicated that they have been able to register on the portal. The Care Home portal currently has limited, prioritised capacity, therefore only some homes are able access it.
2.2 Access to COVID 19 test kits for all residents and asymptomatic staff	15	Yes	15 of the 49 homes that have responded indicated that they have access to testing for asymptomatic staff and residents.
2.3 Testing of all residents discharged from hospital to care homes	26	No	26 of the 44 homes that have responded indicated that all residents are tested on discharge from hospital to care homes
<b>Section complete</b>			

**Focus 3: Personal Protective Equipment (PPE) and Clinical Equipment**

3.1 ) Access to sufficient PPE to meet needs	46	No	A number of homes still regularly report problems accessing PPE through their normal supply chains	46 of the 50 homes that have responded indicated that they have access to sufficient PPE. Homes report the cost of PPE has significantly increased. We have well established processes in place to support homes to access urgent stocks of PPE.
3.2 ) Access to medical equipment needed for Covid19	38	No		38 of the 49 homes that have responded indicated that they had access to clinical equipment when needed.

Section complete

**Focus 4: Workforce support**

4.1 ) Access to training in the use of PPE from clinical or Public Health teams	42	No		42 of the 50 homes that have responded indicated that they have access to training in the use of PPE. A programme of training on infection control, including the use of PPE is currently being rolled out across all homes.
4.2 ) Access to training on use of key medical equipment needed for COVID19	33	No		33 of the 50 homes that have responded indicated they have access to training on the use of key medical equipment.
4.3 ) Access to additional capacity including from locally coordinated returning healthcare professionals or volunteers	16	No		16 of the 48 homes that have responded indicated that they have had access to returning healthcare professionals or volunteers

Section complete

**Focus 5: Clinical support**

5.1 ) Named Clinical Lead in place for support and guidance	34	No		34 of the 40 homes that have responded indicated that they had a named Clinical Lead in place for support and guidance.
5.2 ) Access to mutual aid offer (primary and community health support)	44	No		44 of the 50 homes that have responded indicated that they have access to mutual aid (primary and community health support)
