Good morning Ross

I can confirm that the premises licence on the Hen and Chicks is surrendered.

Please find public copy licences, does Premier have another name or do you know the postcode?

Kind Regards

Dear Lisa,

Thank you for the recent objections.

I wanted to make a couple of enquires if possible, please?

1. The Hen and Chicks – This was sold in 2019 as per the land registry attached, did the license transfer or has it surrendered? Also, the holding company is no longer a PLC at Companies house.
2. Would it be possible to inspect the register (or have copies if easier) of the following licenses please?
  - a. Premier 44/46 Luton Road
  - b. Mc Colls 214 Luton Road
  - c. Best One 367 Luton Road
  - d. ABI Food and Wine 112/114 Luton Road

I am hoping to review their hours and conditions please.

Best,

Ross
