

Health and Wellbeing Board Terms of Reference

A. Operating principles

In line with nationally agreed operating principles the Medway Health and Wellbeing Board (HWB) will seek to:

- (i) provide collective leadership to improve health and well-being across the local authority area, enable shared decision-making and ownership of decisions in an open and transparent way;
- (ii) achieve democratic legitimacy and accountability, and empower local people to take part in decision-making;
- (iii) address health inequalities by ensuring quality, consistency and comprehensive health and local government services are commissioned and delivered in the area; and
- (iv) identify key priorities for health and local government commissioning and develop clear plans for how commissioners can make best use of their combined resources to improve local health and well-being outcomes in the short, medium and long term.

B. Key functions

- (i) To prepare the Joint Strategic Needs Assessment (JSNA) which identifies the current and future health and wellbeing needs of the local population and may address needs around wider determinants of health.
- (ii) To prepare a Joint Health and Wellbeing Strategy for Medway to meet the needs identified in the JSNA.
