Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Precise and enforceable.

Unambiguous and clear in what they intend to achieve.

Tailored to the specific events concerned.

Proportionate, justifiable and be capable of being met, (for example, whilst beer glasses may be available in toughened glass, wine glasses may not).

Clearly noted and available for inspection at all times.

b) The prevention of crime and disorder

A clear and legible notice at the premises indicating the normal hours under the terms of the premises licence during which licensable activities are permitted will be displayed.

An incident book must be maintained within which full details of all occurrences of disorder and refused alcohol sales at the premises must be recorded. The incident book must be kept on the premises at all times and must be made available for inspection by us and the police.

No one carrying open or sealed bottles or glasses will be admitted to the premises at any time.

No customers will be permitted to take open containers of alcoholic or soft drinks from the premises.

c) Public safety

An appropriate method, will be used for checking the number of people entering and leaving the premises and ensuring that once the maximum occupancy of the event is reached, no further persons are admitted.

The licence holder or people authorised by them will check the premises before it opens to the public to ensure there are no risks to patrons and that all safety precautions are in place.

The licence holder will ensure that all staff receive appropriate training about emergency and general safety precautions and procedures.

The licence holder will ensure that all staff are aware of their social and legal obligations and their responsibilities regarding the sale of alcohol.

Free drinking water will be made available at all times when the premises is open to the public.

The telephone numbers of local taxi operators will be prominently displayed at the premises for the benefit of customers.

All waste will be removed from public areas on a regular and frequent basis.

If applicable to the event, any electrical systems at the premises, including portable appliances must be inspected and tested annually by a competent person and a satisfactory safety report obtained. A competent person will be a suitably qualified electrician who is registered with the ECA or NICEIC.

All safety certificates, inspection reports and licences will be made available for inspection by officers of relevant statutory bodies.

The fire safety measures provided on the premises must be maintained in good working order, and their adequacy will be determined on a regular basis.

An adequate and appropriate supply of first aid equipment and materials will be available on the premises.

d) The prevention of public nuisance

The licence holder will ensure that staff regularly patrol the premises both indoors (if applicable) and out to supervise the orderly conduct of patrons.

Prominent, legible notices requesting people to leave the premises and the area quietly will be displayed at all exists.

The licence holder, or persons authorised by them, will control the volume of regulated entertainment taking place at the premises.

External speakers will be situated sufficient distance from nearby properties to avoid unnecessary nuisance.

If applicable to the event, external doors and windows will be kept shut, other than for access and egress, in all rooms when events involving amplified music or speech or other entertainment are likely to rise to noise.

Suitable signage will be present, requesting patrons to respect the amenities of local residents.

To minimise the effect of littering, litter bins will be placed around the premises. All waste will then be disposed of appropriately.

Where drinks are going to be consumed in outdoor areas they will be served in plastic or toughened glass.

e) The protection of children from harm

A proof of age policy will be enforced.

A challenge 21/25 policy will be employed where those individuals who appear to be under the age of 21/25 attempting to purchase alcohol will be asked for identification. The only type of ID that will be accepted is PASS accredited ID, passport or photo driving licence.

Only plastic glasses or bottles will be permitted in any designated children's play areas (if applicable), outdoor areas, or in any area where customers are required to remove footwear.

If applicable to the event, any restrictions on the admission of children to the premises will be displayed outside the premises.
