New Application for alcohol licenses

We strongly object to the licensing application to sell alcohol 10 .00 am to 00:00 midnight .

Allhallows is a small village by hardworking families with Young children and older people with a strong sense of village community .
It has struggled with anti social behaviour issues in front of our village convenience shops for years and years , but we are gradually starting to tackle these issues .
In our smaller village , we already got two off-licence shops which is premier and Londis .
We strongly do not need a another late night opening off license in a chicken takeaway shop in this village .

Overcrowding can increase the risk of violence among young generations.

Granting the licence could lead to threaten the public by having too many off- licences.
Protection children from harm and crime disorders

To grant the licence would severely impact my family 's quality of life and that of my neighbours
Please don't grant the alcohol licence to this above premises.

Kind Regards

Dear Sir/Madam

I am writing to register my objection to the application for a alcohol licensing by premises Mr .Markandu Vigneswaran , 68 Avery way Allhallows Me39pz for sale of alcohol 10.00 am to 00:00 seven day's a week .

I object on the following grounds-

The above addressed premises located in the middle of a village residential area.The provision of other services not related to the sale of alcohol.

Village convenience shops has faced anti social behaviours have already reached problem levels to the local police years ago .

Selling alcohol causes Overcrowding and hangout outside of this premises and also can create public nuisance .

Granting a license would effect my family and my Neighbours too I would urge the licensing Authority to refuse the application.

Your faithfully.
