Dear Sir

I would like to give my opinion
of THE Hop & Rye micro pub,
Since it has opened a year ago, me
and my 3 friends all over 70 years old
have been to the pub at least once
a week. We have always found it
most pleasant, we have been treated
with respect, The Owner and bar
staff have always been friendly. And
we have spent a lovely couple of
hours there. We would be most
upset if this could not continue

yours Truly
