

The Avenues Group
Residential Home

Our experience of the Hop + Rye has been very pleasant, we have always been welcomed. The staff + regular customers have always gone out of their way to help with opening doors, moving tables and wheelchair accessibility.

We are part of a residential home for people with Learning Disabilities and challenging behaviours, our people we support have always felt comfortable and happy to be there.

Prices are very reasonable and have accommodated us with tea + coffee

We have found the Hop + Rye to have a relaxed atmosphere + look forward to visiting again soon.
