The Licensee, that is the person in whose name the premises licence is issued, shall ensure that all times when the premises are used for any licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the licence and for preventing crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm. The Licensee shall ensure that all staff will undertake training in their responsibilities and records will be kept of training and refresher training.

b) The prevention of crime and disorder

All Activities planned and discussed in advance with relevant bodies to ensure a safe environment
Suitably qualified personnel must be employed when the premises are open oversee both the provision of regulated entertainment and the supply of alcohol are taking place correct and safely.
A crime prevention policy agreed and must be in place.
An incident book must be maintained within which full details of all occurrences of disorder and refused alcohol sales at the premises must be recorded. The incident book must be kept on the premises at all times and must be made available for inspection by us and the police.
No one carrying open or sealed bottles or glasses will be admitted to the premises at any time.
No customers will be permitted to take open containers of alcoholic or soft drinks from the premises.

c) Public safety

An appropriate method, agreed in writing by us must be used for checking the number of people entering and leaving the premises and ensuring that once the maximum occupancy is reached, no further persons are admitted.
Irresponsible drinks promotions must not be permitted, and the standards for the management of responsible drinks promotions including 'happy hours' produced by the British Beer and Pub Association will be complied with.

The fire safety measures provided on the premises must be maintained in good working order, and their adequacy will be determined on a regular basis, by the carrying out of a fire risk assessment as required by, and in accordance with the Regulatory Reform (Fire Safety) Order 2005.
An adequate and appropriate supply of first aid equipment and materials must be available on the premises.

d) The prevention of public nuisance
