Strood Waterfront - Former Civic Centre Site

Delegation from Leader and Cabinet and date

On the 9 April 2019, the Cabinet considered a report which detailed issues relating to the redevelopment of the former Civic Centre site, access road and adjacent land at Jane's Creek, which had significant transformational potential and was a key part of the Strood Waterfront Development Brief, which had been adopted in June 2018. The Cabinet agreed to delegate authority to the Director of Place and Deputy Chief Executive, in consultation with the Portfolio Holder for Inward Investment, Strategic Regeneration and Partnerships to dispose of the land on the best terms reasonably obtainable whilst securing development of the land (decision no. 55/2019 refers).
