**Have you been affected by people being drunk and rowdy in the proposed extension to the Strood Alcohol Control Zone?** Please select one option only. **(Have you been affected by people being drunk and rowdy in the proposed Chatham Alcohol Control Zone?)**

**Please tell us how you've been affected by people being drunk and rowdy in the proposed extension to the Strood Alcohol Control Zone:**

At first thought someone was being attacked due to the level of noise. Drinks cans were thrown at cars and I have seen bottles thrown at passing trains.

**Please click below if you would like to see the map and explanation of the order again**

**Do you support the extension of the area covered by the Public Space Protection Order? Prohibiting the drinking of alcohol in the area shown on the map outlined previously.**

This would include streets, green areas and other public areas but not public houses, licensed premises or pavement cafes. (Please select one option only)

**Please explain why you agree, disagree or are uncertain about the extension of the area covered by the Public Space Protection Order to prohibit the drinking of alcohol?**

anything to help deal with ASB is welcome

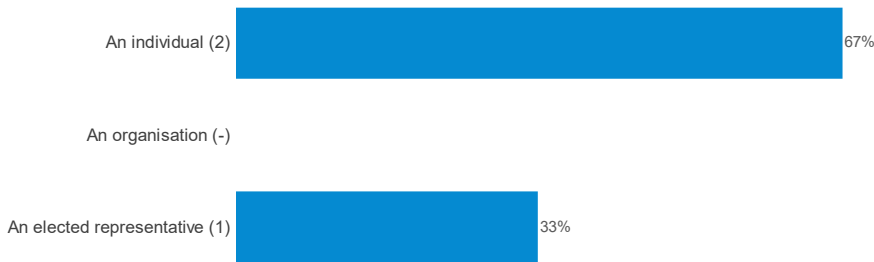

I don't understand why it does not include pubs, bars and cafes. The area should be much bigger and include pubs etc as they are a cause of anti-social behaviour. There is also no point in having a control area if nothing is done by the council or police to enforce the zone.

**Do you have any other comments we should consider about the proposed extension of the Strood Alcohol Control Zone before making a final decision?**

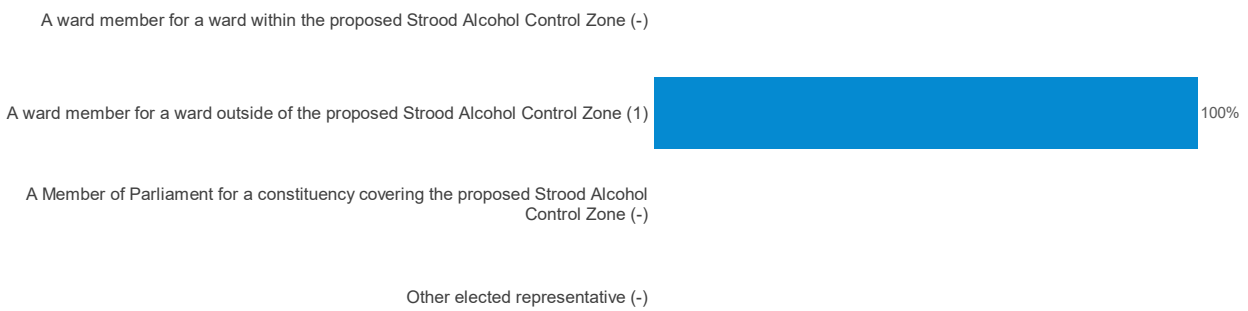

Pubs, bars and cafes should be made to clear up the mess they have enabled. They should also pay far more towards the cost of enforcement.
