### **ADOPTION PARTNERSHIP SOUTH EAST, REGIONAL ADOPTION AGENCY, ANNUAL REPORT 2021**

Report from: Dr Lee-Anne Farach, Director of People, Children and Adults Services

Author: Sarah Skinner, Head of Service, Adoption Partnership South East

#### Summary

In 2015 the Government set out its vision and commitment to deliver a regional adoption system where adoption agencies would come together to deliver adoption services on a larger scale. Medway's Overview and Scrutiny Committee and Medway's Cabinet agreed with plans to develop a Regional Adoption Agency (RAA) comprising of the London Borough of Bexley, Kent County Council and Medway Council in September 2020 and Adoption Partnership South East (APSE) was launched on 1st November 2020.

The first RAA Annual Report attached (Annex A) provides information and an overview of the service, performance set against government targets and service and practice development for the period November 2020 – October 2021.

#### 1. Budget and policy framework

- 1.1. This report is consistent with the Council's budget and Policy Framework including the Council Plan, in particular the Council Plan priority "supporting Medway's people to realise their potential" and in particular to develop Children's Services to be a good service.

#### 2. Background

- 2.1. The Statutory Regulations require that Elected Members should be informed of the Adoption Agency's activity on a regular basis. This annual report provides information that will assist Elected Members in respect of their responsibilities as Corporate Parents for Looked After Children.

- 2.2. The report should be read in conjunction with the Adoption Agency's Statement of Purpose, (SOP) which is attached to the main report (Annex A) as appendix 2. The SOP explains our values and principles, the services we provide and the way we provide them. The information provided meets the requirement of National Minimum Standards for Adoption, and the related regulations (Voluntary Adoption Agencies and Adoption Agencies (Misc. Amendments) Regulations 2003).
- 2.3. The agency is committed to fulfilling the requirements of the Adoption and Children Act 2002 and the Children and Families Act 2014 by:
  - Ensuring the provision of a high-quality adoption service which guarantees the best possible standards of care, safety and protection for children or young people who are looked after and who need adoptive placements.
  - Ensuring that all those whose lives have been affected by adoption are helped to identify and receive appropriate services.
  - Working in partnership with adoptive families & other agencies ensuring the service is based on statutory requirements & good practice within the principles of value for money for the agency.

### 3. Advice and analysis

- 3.1. The report provides information regarding children's adoption journeys, adopters' journeys and reports the voice of adopted children and adoptive parents.
- 3.2. The report provides information showing that the timeliness for Medway children's adoption care plans has improved.
- 3.3. The report provides information about adopter recruitment and the number of people enquiring about adopting through APSE.
- 3.4. The report provides information regarding adoption support services offered to children and families by the RAA, which have expanded within the last 12 months, with agreement from the Partnership Board to provide a consistent service across the region.

### 4. Risk management

- 4.1. Two risks were identified in the Medway Adoption Service Annual Report to Cabinet on 12 January 2021 and there are no changes:

Risk	Description	Action to avoid or mitigate risk	Risk rating
Finance	The principle underpinning the Adoption Partnership has been that there will be no increase in funding for the first 3 years of the Partnership.	Legal agreement in place	C2
Recruitment of the right adopters for the children of Medway.	There is a national shortage of adopters at the current time which has implications for timely placement of children. This also has implications for the placement of Medway's complex and challenging children.	Adoption Partnership South East enables all three local authorities to access a wider pool of adopters and provide good quality support to enable adopters to parent more complex and challenging children. ## 5. Climate change implications

- 5.1. Reducing carbon footprint - Several adjustments were needed due to Covid, some of which have been very successful, and will be maintained, whilst others we will not. Staff and parents have embraced the roll out of improved technology, and it has enabled social workers to undertake assessments and provide support to families remotely, despite the pandemic.
- 5.2. It has also enabled people based in different parts of the RAA region, to meet safely. However, home visits to families have returned to in person visits and the teams are physically meeting on at least a monthly basis.
- 5.3. Current practices are reviewed regularly to ensure we can plan strategically to deliver a quality service and respond to changes as and when they are required.

## 6. Financial implications

- 6.1. A legal Partnership Agreement underpins each Partner's financial contribution to the RAA under a pooled budget arrangement.
  - a) The partnership went live partway through the 2020-21 financial year, with an operating budget of £1,857,049, of which Medway's contribution towards the partnership was £417,866. At the end of the financial year, the service successfully underspent its budget by £222,900 which was rolled forward into the 2021-22 operating budget.

- b) For the 2021-22 financial year, the partnership has an operating budget of £4,274,100 including last year's roll forward underspend of which Medway's contribution is £928,600 or c20%

- 6.2. Regular monthly meetings are held with Finance Officers from across the three local authority partner agencies, with the Head of Service to ensure there is transparency and accountability.
- 6.3. Quarterly RAA Board meetings are held, as outlined in the annual report, where Directors from each local authority partner review budget expenditure and forecasting.

## 7. Legal implications

- 7.1. The work of the RAA is governed by:

- Education and Adoption Act 2016
- Care Planning, placement and Case and fostering services (Miscellaneous Amendments) Regulations 2013
- Adoption National Minimum Standards 2011
- Care Planning Regulations 2010
- Adoption Agency Regulations 2005 (amended 2011)
- Local Authority Regulations 2005
- Adoption and Children Act 2002
- Care Standards Act 2000.

- 7.2. The formation of a Regional Adoption Agency meets with government requirements.

- 7.3. The RAA is operated under the terms of a Partnership Agreement, which confirms the legal and governance arrangements; the budget; staffing and funding contributions for the three local authorities.

## 8. Recommendations

- 8.1. The Committee is asked to note and comment on the annual report.
