COUNCIL PLAN PERFORMANCE MONITORING REPORT & RISK REGISTER QUARTER 3 2021/22

Report coordinated by Phil Watts, Chief Finance Officer

Contributors: Children and Adults – Directorate Management Team

Summary

Medway's Council Plan 2021/22 sets out the Council's three priorities. This report and appendices summarise how we performed in Q3 2021/22 on the delivery of these priorities and the two priorities relevant for this Committee: People and Growth.

This report also presents the Q3 2021/22 review of strategic risks.

1. Budget and policy framework

- 1.1 The Council Plan 2021/22 was agreed at Full Council in February 2021. It sets out the Council's three priorities and six values which aim to deliver these priorities. It includes the measures we use to track performance.
- 1.2 Risk management is an integral part of good governance. The Council recognises that it has a responsibility to identify and manage the barriers to achieve its strategic objectives and enhance the value of services it provides to the community. The Cabinet has responsibility to ensure the effective operation of risk management in the Council. The Strategic Risk Register ensures that all relevant key risks are recorded and mitigating actions are monitored. The Strategic Risk Register is reviewed on a quarterly basis and presented alongside Council Plan Performance Monitoring to support informed decision making.
- 1.3 On this occasion, due to timetabling, this report is presented to Children and Young People Overview & Scrutiny committee ahead of Cabinet.

2. Background

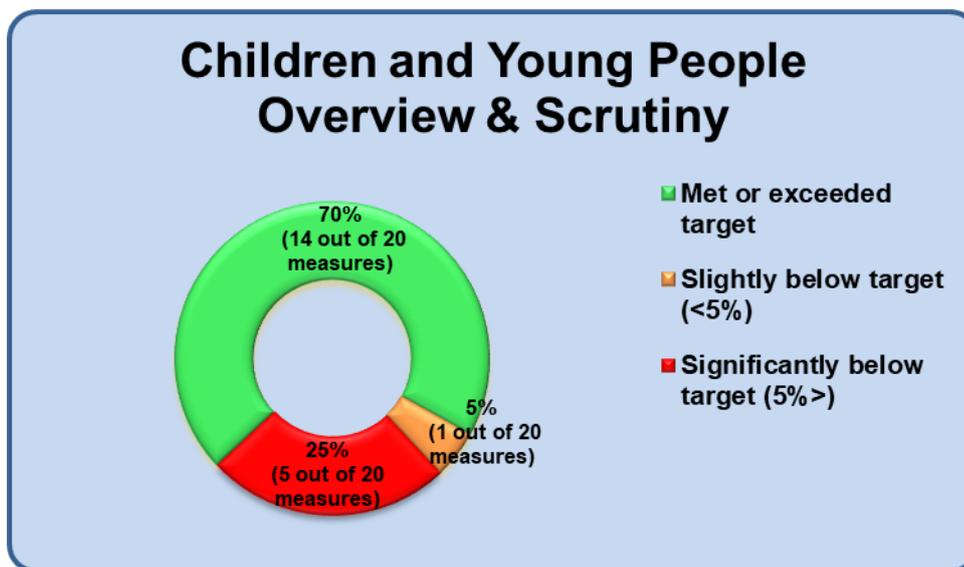

- 2.1. This report sets out the performance summary against the two Council priorities relevant for this Committee: People and Growth. It focuses on where we have achieved or exceeded our targets, and how we are tackling underperformance. This report also sets out the latest review of the strategic risks relevant to this committee together with mitigation in place to minimise impact and likelihood.

- 2.2. Performance in respect of Adult Social Care, which also falls under the priority “People”, is not included here, as it will be the focus of a report to the Health and Adult Social Care Overview and Scrutiny Committee.
- 2.3. Detailed background information supporting this report can be found in Appendix 1: People, Growth.
- 2.4. Risk owners have reviewed and updated their risks which have subsequently been reviewed and agreed by the Strategic Risk Management Group (SRMG) on 11 January 2022 and Corporate Management Team (CMT) on 26 January 2022. The revised Strategic Risk Register can be found in Appendix 2: Strategic Risk Register.
- 2.5. There was one change to the current residual risk score. SR37: Cyber Security. The current and inherent risk scores were increased to AI (from CI) to reflect the high probability of a cyber-attack (even with stringent mitigations in place).
- 2.6. This table summarises the 15 programmes which support our 3 priorities and 11 outcomes. It also shows the six overarching values which we use to deliver all of the above. The priorities and outcomes that fall under the remit of this committee are show below (non-shaded). Detailed progress reports on these programmes can be found in Appendix 1.

- 25% (5 out of 20*) improved short term (since last quarter)
 - 30% (6 out of 20*) improved long term (average of previous 4 quarters)
- *where data available

4. Risk management

- 4.1. Implementation of a performance management and risk framework allows the council to evidence how successful it is in achieving against its stated objectives, and for residents it provides genuine accountability on how successfully the council is administering its resources. The risk of inaccurate data being reported to Members is minimised through authorisation by Directorate and Corporate Management Teams. Assurance can therefore be placed on the accuracy of data used to assess performance. By reporting to Members, the risk of poor performance not being identified or addressed is minimised.
- 4.2. The Risk Management process helps the Council understand, evaluate and act on all their risks. It supports effective decision making, identification of priorities and objectives and increases the probability of success by making the most of opportunities and reducing the likelihood of failure.
- 4.3. The Council's Risk Management Strategy incorporates and:
 - promotes a common understanding of risk.
 - outlines roles and responsibilities across the Council.
 - proposes a methodology that identifies and manages risk in accordance with best practice thereby seeking to prevent injury, damage, and loss.

5. Financial and legal implications

- 5.1. There are no direct finance or legal implications arising from this report.

6. Recommendations

- 6.1. Members are asked to consider the Q3 2021/22 performance against the measures used to monitor progress against the Council's priorities.
