

Good morning,

Historically, requests for variations of the tariffs have been submitted by the Medway Licensed Taxi Drivers Association. To ensure a regular review of the tariffs takes place, Medway Council's Licensing Sub Committee have agreed we create a Medway Taxi Tariff Review Policy, which will include the frequency and methodology of the reviews. This Policy will be created, following engagement with you all. Therefore, the policy will be drafted and circulated to you via email in due course for your views. Please be mindful that this is a lengthy process so will not happen overnight.

In the meantime, following receipt of a request from an individual driver to review the current tariffs, the Licensing Sub Committee also agreed our request to poll the taxi trade on whether or not you wish for the tariff to be reviewed now or whether to wait until the Policy has been created, approved and implemented, and report back with the results.

I am therefore seeking your view.

Do you wish for the tariff to be reviewed now? **Please respond by 10 FEBRUARY 2022 with a YES or NO only.**

Many thanks

Kind regards

Mandy
