ALLOCATION OF SEATS ON COMMITTEES

Report from: Neil Davies, Chief Executive

Author: Richard Hicks, Assistant Director, Customer First, Democracy and Governance

Summary

This report sets out the position regarding the allocation of seats on Committees following a by-election in River Ward on 21 October 2010.

1. Budget and Policy Framework

1.1 The allocation of seats on committees and the appointment of Members to serve on committees and other bodies is a matter for decision by the Council.

2. Background

2.1 There was a by-election in River Ward on 21 October 2010 following the resignation of Councillor David Craggs in the summer. This resulted in the election of Councillor John Jones. On 26 October 2010 the Chief Executive received notice that Councillor John Jones had joined the Labour Group. This notice was accompanied by a request that a review be carried out of the arrangements for the allocation of seats on committees to political groups under section 15 of the Local Government and Housing Act 1989.

2.2 The effect of an increase in the size of the Labour Group on the political balance of the Council is set out below.

Group	Change to number of councillors	Change to proportionality New %
Conservative	33	60.00%
Labour	10	18.18%
Liberal Democrat	7	12.73%
Independent Group	4	7.27%
Independent Member	1	1.82%
	55	100%

Assuming no change in the overall number of seats on committees, the entitlement to seats is now as follows (the movement from the entitlement agreed by Council on 29 July 2010 is shown in brackets):

Conservative	Labour	Liberal Democrat	Independent Group	Independent Member	Total
67(-1)	21(+2)	14(-1)	8	2 but not allocated as not entitled	112

3. Allocation of Seats on Committees

3.1 The Local Government and Housing Act 1989 requires the Council to allocate seats on committees to political groups in accordance with the size of each group on the Council as a whole, unless alternative arrangements are notified to all Members and agreed without any Councillor voting against them. The Council is required to observe the following principles so far as is reasonably practicable: -

- (a) that not all the seats on the body are allocated to the same political group;
- (b) that the majority of the seats on the body is allocated to a particular political group if the number of persons belonging to that group is a majority of the authority's membership;
- (c) subject to paragraphs (a) and (b) above, that the number of seats on the ordinary committees of a relevant authority which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary committees of that authority as is borne by the number of members of that group to the membership of the authority;
- (d) subject to paragraphs (a) to (c) above, that the number of the seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of members of that group to the membership of the authority.

3.2 Principles (a), (b) and (d) apply to all appointments to the authority's own bodies and to certain outside bodies. However, principle (c) only relates to appointments to the 'ordinary committees' of the council.

3.3 Any decision to waive the requirements of political balance will require a resolution of the Council with no member voting against.

3.4 The four Group Whips have agreed to recommend that the Council approve the arrangements for the allocation of seats on Committees as set out in the table below marked in bold. This involves the reallocation of seats to enable the Labour Group to gain seats on the Health and Adult Social Care Overview and Scrutiny Committee and the Business Support Overview and Scrutiny Committee.

Committee	No. of seats	Con 60%	Lab 18.18%	LD 12.73%	Ind Group 7.27%	Ind Member 1.82%	Total 100%

Total Allocation agreed at Council on 29 July 2010	112(+2)	68 (+2)	19	15	8	2*	112 (+2)
New entitlement	112(+2)	67 (+2)	21	14	8	2*	112(+2)

Notes:

- (i) *The Independent Member has no right to any seats; this column shows how seats to which the political groups are not entitled have been allocated by the Council.
- (ii) There are two additional Conservative Members on the Children and Adults Overview and Scrutiny Committee to preserve that Group's majority in view of the four statutory co-optees with voting rights who have to be appointed to the Committee.
- (iii) There is a separate ad hoc committee set up to consider the removal of Council appointed school governors as and when necessary. Political balance requirements have been waived by the Council in respect of this Committee in the past so it does not feature in the overall calculation of allocation of Committee seats. The membership comprises the relevant Portfolio Holder and Group Whips.

4. Financial, legal and risk implications

- 4.1 The recommendations in this report are consistent with requirements in the Local Government and Housing Act 1989 relating to political balance and there are no additional costs associated with the changes.

5. Recommendations

- 5.1 The Council is asked to agree:
- (a) the allocation of seats on committees to political groups as set out in paragraphs 2.2 and 3.4 of the report;
 - (b) the continued establishment of an ad hoc Committee to consider the removal of Council appointed school governors as and when necessary and to waive political balance in respect of this Committee;
 - (c) that the membership of Committees should be adjusted accordingly in accordance with the wishes of the party groups.
