Good Morning Greta,

Many thanks for the update. Thank you and your team for assisting in safeguarding both parties during the investigation, regardless of it being for only one shift in reality – it is really appreciated.

I realise writing this that I never responded to your queries on the ongoing safeguarding and I apologise for this. With Caroline having resigned, however, clearly this won't be relevant any more.

Please do not hesitate if you have any further questions etc.

Kind regards,

Dan
