GENERAL PRACTICE DEVELOPMENT PLAN

Report from/Author: Sukh Singh, Director of Primary Care, NHS Kent and Medway
Dr Farnaaz Sharief, MBE, Primary Care Network, Medway and Swale

Summary

This report provides a brief overview of the General Practice Development Plan 2022-2024. This report will be accompanied by a presentation, of which is attached at Appendix A to the report.

1. Budget and policy framework

- 1.1. In line with nationally agreed operating principles the Medway Health and Wellbeing Board seeks to provide collective leadership to improve health and well-being across the local authority area, to address health inequalities and improve local health and wellbeing outcomes.

2. Background

- 2.1. General practice services provide the first point of contact in the health and care system for most patients. They act as the “front door” to the NHS. This presentation sets out further details on the general practice development plan 2022-2024, including the vision and pledge and how practically these will be achieved. An update is also provided on the Medway and Swale Health Hub.

3. Risk management, financial and legal implications

- 3.1. There are no direct risk management, finance or legal implications for Medway Council arising from this report.

4. Recommendations

- 4.1. The Health and Wellbeing Board is asked to note the presentation on the General Practice Development Plan 2022-2024.
