ADOPTION PARTNERSHIP SOUTH EAST, REGIONAL ADOPTION AGENCY, ANNUAL REPORT 2022

Report from: Dr Lee-Anne Farach, Director of People, Children and Adults' Services

Author: Sarah Skinner, Head of Service, Adoption Partnership South East

Summary

In 2015 the Government set out its vision and commitment to deliver a regional adoption system where adoption agencies would come together to deliver adoption services on a larger scale. Medway's Overview and Scrutiny Committee and Medway's Cabinet agreed with plans to develop a Regional Adoption Agency (RAA) comprising of the London Borough of Bexley, Kent County Council and Medway Council in September 2020 and Adoption Partnership South East (APSE) was launched on 1st November 2020.

The second RAA Annual Report attached (Annex A) provides information and an overview of the service, performance set against government targets and service and practice development for the period November 2021 – October 2022.

1. Budget and policy framework

- 1.1. This report is consistent with the Council's budget and Policy Framework including the Council Plan, in particular the Council Plan priority "supporting Medway's people to realise their potential" and to develop Children's Services to be a good service.

2. Background

- 2.1. The Statutory Regulations require that Elected Members should be informed of the Adoption Agency's activity on a regular basis. This annual report provides information that will assist Elected Members in respect of their responsibilities as Corporate Parents for Looked After Children.

- 2.2. The report should be read in conjunction with the Adoption Agency's Statement of Purpose, (Annexe A, appendix 2) which is attached to the main report. The SOP explains our values and principles, the services we provide and the way we provide them. The information provided meets the requirement of National Minimum Standards for Adoption, and the related regulations (Voluntary Adoption Agencies and Adoption Agencies (Misc. Amendments) Regulations 2003).
- 2.3. The agency is committed to fulfilling the requirements of the Adoption and Children Act 2002 and the Children and Families Act 2014 by:
- Ensuring the provision of a high-quality adoption service which guarantees the best possible standards of care, safety and protection for children or young people who are looked after and who need adoptive placements.
 - Ensuring that all those whose lives have been affected by adoption are helped to identify and receive appropriate services.
 - Working in partnership with adoptive families & multi-disciplinary professionals ensuring the service is based on meeting statutory requirements, good practice, and innovation within the principles of value for money for the agency.

3. Advice and analysis

- 3.1. The report provides information regarding children's adoption journeys, adopters' journeys and reports the voice of adopted children and adoptive parents.
- 3.2. The report provides information showing that the timeliness for Medway children's adoption care plans has improved.
- 3.3. The report provides information about adopter recruitment and the number of people enquiring about adopting through APSE.
- 3.4. The report provides information regarding adoption support services offered to children and families by the RAA, which have expanded within the last 12 months, with agreement from the Partnership Board to provide a consistent service across the region.

4. Risk management

- 4.1. Two risks were identified in the Medway Adoption Service Annual Report to Cabinet on 8 February 2022 and there are no changes:

Risk	Description	Action to avoid or mitigate risk	Risk rating
Finance	The principle underpinning the Adoption Partnership has been that there will be no increase in funding for the first 3 years of the Partnership.	Legal agreement in place	C2
Recruitment of the right adopters for the children of Medway.	The challenge is to recruit adopters who can meet the needs of Medway's children, who may have complex needs.	All three local authorities have access to a wider pool of adopters for their children, resulting in very few children in APSE needing to be placed with adopters approved by other agencies.	B2

5. Climate change implications

- 5.1. Reducing carbon footprint - Several adjustments were needed due to Covid, some of which have been very successful, and have been maintained, such as the use of technology.
- 5.2. Current practices are reviewed regularly to ensure we can plan strategically to deliver a quality service and respond to changes as and when they are required.

6. Financial implications

- 6.1. A legal Partnership Agreement underpins each Partner's financial contribution to the RAA under a pooled budget arrangement.
- 6.2. In the 2021-22 financial the partnership had an operating budget of £4,051,200, of which Medway's contribution towards the partnership was £928,600. At the end of the financial year, the service underspent its budget by £317,687 (Medway's share equalled £63,537) which was rolled forward into the 2022-23 operating budget.
- 6.4. For the 2022-23 financial year, the partnership has an operating budget of £4,152,400 excluding last year's roll forward, of which Medway's contribution is £941,300.
- 6.5. Regular monthly meetings are held with Finance Officers from across the three local authority partner agencies, with the Head of Service to ensure there is transparency and accountability.

6.6 Quarterly RAA Board meetings are held, as outlined in the annual report, where Directors from each local authority partner review budget expenditure and forecasting.

7. Legal implications

7.1. The work of the RAA is governed by:

- Education and Adoption Act 2016
- Children and Families Act 2014
- Adoption: Statutory Guidance 2013
- Care Planning, placement and Case Review and fostering services (Miscellaneous Amendments) Regulations 2013
