Dear Madam

PETITION IN FAVOUR OF VARIATION OF LICENSING PREMISES

We are the residential neighbours of Super Pizza, and we are sending this petition to your office that we do not have a problem with Super Pizza operating until 5 am the following day.

Super Pizza has served us greatly and some of us suggested to him to try and open until the early hours.

We are the only residents in this neighbourhood.

We will appreciate if his request is granted.

We are.
