### Summary

Medway's Council Plan 2023/24 sets out the Council's three priorities and the measures used to monitor performance. This report and appendices summarise performance in Q2 2023/24 on the delivery of these priorities and the actions we are taking to improve performance.

This report also presents the Q2 2023/24 review of strategic risks which fall under the remit of this committee (Appendix 2).

### 1. Recommendations

- 1.1. The Children and Young People Overview and Scrutiny Committee is asked to consider the Q2 2023/24 performance against the measures used to monitor progress against the Council's priorities (Appendix 1).
- 1.2. The Children and Young People Overview and Scrutiny Committee is asked to note the Q2 2023/24 Strategic Risk Summary (Appendix 2).

### 2. Budget and policy framework

- 2.1. The Council Plan 2023/24 was agreed at Full Council in February 2023. It sets out the Council's three priorities and six values. It includes the measures we use to track performance. These measures are refreshed annually.
- 2.2. The Risk Strategy 2023/24 was agreed at Cabinet in April 2023. Risk management is an integral part of good governance. The Council recognises that it has a responsibility to identify and manage the barriers to achieve its strategic objectives and enhance the value of services it provides to the community.

#### 4. Summary of performance

- 4.1. There are 25 Council Plan measures for 2023/24 that fall under the remit of this committee: 24 measures for the People priority and 1 measure for the Growth priority. We are reporting on 24 as data for 1 measure is not available this quarter.

#### Improved performance

- 39.1% (9 out of 23\*) improved short term (since last quarter)
  - 41.7% (10 out of 24\*) improved long term (average of previous 4 quarters)
- \*where data available

#### 5. Risk management

- 5.1. Implementation of a performance management and risk framework allows the Council to evidence how successful it is in achieving against its stated objectives, and for residents it provides genuine accountability on how successfully the Council is administering its resources. The risk of inaccurate data being reported to Members is minimised through authorisation by Directorate and Corporate Management Teams. Assurance can therefore be placed on the accuracy of data

used to assess performance. By reporting to Members, the risk of poor performance not being identified or addressed is minimised.

5.2. The Risk Management process helps the Council understand, evaluate, and act on all their risks. It supports effective decision making, identification of priorities and objectives and increases the probability of success by making the most of opportunities and reducing the likelihood of failure.

5.3. The Council's Risk Management Strategy incorporates and:

- promotes a common understanding of risk.
- outlines roles and responsibilities across the Council.
- proposes a methodology that identifies and manages risk in accordance with best practice thereby seeking to prevent injury, damage, and loss.

## 6. Financial and legal implications

6.1. There are no direct finance or legal implications arising from this report.
