TO WHOM IT MAY CONCERN: I WISH TO REMAIN ANONYMOUS AND NO NAME READ OUT.
I am writing with my concerns and issues regarding above named pub. Most weekends and a lot of weekdays we have continued problems with this pub. Constant fights, shouting, screaming, people parking across driveways and have actually seen them parked on private drives and when asked to move have been subjected to verbal abuse and threatened with violence. We have to suffer glass in road and in front of houses, sick on drives and road. People urinating up against walls and even cars. I have to have my telly so loud to shut out the constant disturbances, I have to witness drug deals going on night after night. I feel the opening hours, cheap cocktail nights and live bands every night to be too much for a residential area like this. This pub never used to attract such a young clientele until cheap drinks and buy one get one free were introduced. They have constant lock ins where people are coming out at 2/3 in the mornings. We have taxis turning and shining lights through windows and doors slamming constantly. Empty bottles and glasses dumped and smashed everywhere. I have even had to remove small see through packages with remains of a white powder substance from the road and kerbside. I am also if possible requesting a copy of statement from Licensings Dan Hunt 11044. A drug raid was carried out on the evening of November Friday 17th November with arrests being made and the customers kicking off outside which was quite frightening to witness on your doorstep. Regards a very concerned resident

I was given a guarantee from PC DAN HUNT 11044 that due to repercussions I didn't have to give my name. My husband works nights at weekends leaving me with my daughter and grandson alone in the house. You want me to give my name to licence holder of a premises that causes nothing but issues night after night, drugs and alcohol are the most common causes of violent behaviour that I have to witness and endure. Do I want a brick through my window, no I don't, do I want to be physically and verbally abused, no I don't. I will withdraw my representation and allow us residents to accept the pub keeping its licenses as they are and the disgusting behaviour to continue. Thankyou so much for thinking of the residence. I feel no point in continuing to report incidents as we are totally ignored. WHY DO I PAY COUNCIL TAX?? I find this totally unacceptable, and will consider seeking some more advice.
