Good morning Gravesham.

As per the below conversation, the applicant for AMALA BUKA, 365 High Street, Rochester has agreed to the following:

'Risk assessments to be undertaken in respect of events at the location, and where deemed necessary, SIA registered door staff to be employed.'

As such we would have no concerns.

Regards  
Andre

Hi, Esther

I am looking to respond to Gravesham Licensing about your variation and was wondering whether you have any objection to the following condition:

'Risk assessments to be undertaken in respect of events at the location, and where deemed necessary, SIA registered door staff to be employed.'

I don't mean you should have security at your club all the time, only if there is ever an event where you think you might benefit from it. Is this ok with you?

Regards

Andre
