Subject: RE: Variation to licence Amala Buka

Good morning,

With regards to the variation for Amal Buka, the owner/licensee has agreed to amend the section protection of children from harm as follows:

“We will operate a Challenge 25 policy and ask any customer that appears under the age of 25 for PASS approved photographic ID such as the CitizenCard, Driving Licence, or Passport. We will display a Challenge 25 poster on the premises”

“We will refuse to serve alcohol to any person that cannot prove that they are 18, and keep a record of refusals, which will be made available for inspection to relevant authorities on request”

“All staff will be trained on underage sales at least every 6 months, and a record of this training will be kept and made available for inspection to relevant authorities on request”

“Any shows put on at the restaurant will have a minimum age of entry of 18”

“CCTV recordings will be made available to relevant authorities on request”

“Police will be notified of any incidents”

With this amended section Trading Standards will register no objection.

Kind regards
Gemma

Good Afternoon,

Sorry for the late reply

Yes I am happy with the changes and everything suggested.

Thank

You

Good afternoon Esther,

Please find attached a letter detailing what we spoke about yesterday. I just need to confirm if you accept the changes.

Kind regards

Gemma
