<p>STAR HILL TO SUN PIER CONSERVATION AREA SIGNIFICANCE LED DEVELOPMENT FRAMEWORK SUPPLEMENTARY PLANNING DOCUMENT</p>
<p>12 January 2024</p>
<p>DAVE HARRIS, CHIEF PLANNING OFFICER</p>
<p>1 Summary description of the proposed change</p> <p>In April 2020, Medway Council were awarded £1.6m in funding from Historic England as part of their High Street Heritage Action Zones (HSHAZ) programme, which is funded by the Government.</p> <p>The aim of this programme is to transform high streets into thriving town centres through the power of heritage, by delivering physical improvements and cultural activities to regenerate historic high streets and/or town centres.</p> <p>One of the programme’s workstreams is the creation of a Significance Led Development Framework for the Sun Pier to Star Hill Conservation Area (known locally as ‘Chatham Intra’) to guide future development in a way which protects heritage and character, whilst enabling sensitive sustainable growth and regeneration.</p> <p>This Framework will be adopted as a Supplementary Planning Document (SPD), which is a non-statutory document and forms a part of the Council’s wider Development Framework.</p>
<p>2 Summary of evidence used to support this assessment</p> <p>The SPD Framework is informed by a comprehensive evidence base, and engagement with stakeholders, statutory bodies, and the local community, through workshops, symposia, stakeholder and community forum group meetings held between 2020 and 2024.</p> <p>Additional engagement and awareness has also taken place through the University of Kent School of Architecture and Planning, with associated projects intended to continue into the future.</p>

4 Summary of the likely impacts

The SPD framework promotes sustainable development in Chatham Intra.

It aims to transform high streets into thriving town centres through the power of heritage, by delivering physical improvements and cultural activities to regenerate historic high streets and/or town centres benefiting a range of local residents, visitors, business owners and the wider community.

Diversity impact assessment

The information and guidance within the SPD will support existing and emerging planning policies within the Council's Local Plan and the National Planning Policy Framework (NPPF), including those relating to sustainability, sustainable development, and mitigating the effects of climate change.

The SPD framework sets out opportunities to increase biodiversity, tree planting, improve air quality, Sustainable Urban Drainage and the environmental quality of new development.

5 What actions can be taken to mitigate likely adverse impacts, improve equality of opportunity or foster good relations?

The Council is consulting on the draft SPD Framework and welcomes views on alternative approaches to transforming the high streets.
