### BEREAVEMENT SERVICES

#### CEMETERIES

**INTERMENTS.** The fee includes preparation and excavation of grave, matting and presentation where required, and attendance by cemetery staff and backfilling on day of service. Subject to a minimum of 3 days notice (additional fees may be required for arrangements made in less than 3 working days). The fee also includes all administration, entries in burial registers and cemetery plan marking and a contribution towards cemetery maintenance. The fees do not include removal of any memorial, planting, shrubs, flowers or trees. Applicants must arrange for the removal of anything that has been placed on a purchased grave, at their cost and anything left remaining when digging commences will be disposed. All graves have a maximum coffin size (width and length) than can be accommodated. Where any grave has been pre-purchased alternative arrangements may have to be made for any coffin exceeding these dimensions, which may include purchasing another grave.

Where any tree or shrub that cannot be easily and quickly removed remains, the authority reserves the right to cancel or postpone the funeral and/or make an additional charge for the removal of any tree or shrub. Where necessary, specialist contractors will be used to remove trees and their costs (plus OH&P) added to any costs. Where any tree or plant is of such a size that removing it would affect the stability of any surrounding memorials or ground, the council reserves the right to recover all reasonable costs in making good, or alternatively may refuse any further burial in that grave. Digging will not proceed where an approved memorial has not been removed.
