What is the change to policy / service / new project that is being proposed? How does it compare with the current situation?
<p>Medway Council is a responsible authority of the Community Safety Partnership (CSP) under the Crime and Disorder Act 1998. The Act places a statutory duty on the local authority to work with other responsible authorities to develop and implement a strategy for reducing crime and disorder.</p> <p>Under section 17 of the Crime and Disorder Act 1998, the Council has a statutory duty to do all that it reasonably can to reduce crime and disorder in its' area when exercising its functions. The Crime and Disorder Act also places a statutory duty on the Council, along with the other Responsible Authorities (Kent Police, Integrated Care Board, Kent Fire and Rescue Service, and the Probation Service, to produce an annual Strategic Assessment which identifies crime and disorder priorities for our area.</p> <p>Once priorities have been identified a Community Safety Plan is written. This is a policy framework document. The plan has been approved by the Strategic Executive Group of the CSP and has passed through Overview and Scrutiny. This plan needs to have regard for the police and crime objectives set out in the Police and Crime Commissioners (PCC) police and crime plan and will be shared with the PCC.</p> <p>Previous CSP Priorities –</p> <ul style="list-style-type: none"> <li>• Safeguarding Adults and Children</li> <li>• Reducing Vulnerability</li> <li>• Reducing Re-offending</li> <li>• Listening to our Communities and Partners</li> </ul> <p>New CSP Priorities</p> <ul style="list-style-type: none"> <li>• Tackle Drugs and Alcohol.</li> <li>• Reduce Re-offending.</li> <li>• Violence Against Women and Girls.</li> <li>• Tackle Anti-Social Behaviour.</li> </ul>

The CSP Plan focusses on supporting those at risk of harm, for example the vulnerable and repeat victims.
