Covid-19 Additional Relief Fund, Omicron Hospitality and Leisure Grant and the Energy Bills Rebate

Delegation from Leader and Cabinet - 8 March 2022

The Cabinet agreed to delegate authority to the Chief Operating Officer to make any further technical amendments to the CARF, OHLG and Energy Bills Rebate schemes in consultation with the Portfolio Holder for Business Management where further government advice is issued (Decision No. 50/2022). The report is available from the [Council's website](#)

Decision

There was no further government advice received so there was no need for further amendments to either scheme.

Reasons for Decision

It had been imperative that the Council took urgent action to support businesses by implementing the government scheme promptly in response to the Covid-19 pandemic and to award the funding before the 31 March 2022.

Date of Decision

Not applicable.
