LICENSING OBJECTIVE	Yes	Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary
Prevention of crime and disorder		
Public safety		
Prevention of public nuisance	Yes	<p>We (the residents) have reported several times to Gravesham licensing department (Helen in particular) and The greedy Banker directly over this year about the excess noise/music levels from this premises when they have any music/bands playing.</p> <p>They have been having there doors wedged open, and people dancing outside (almost like a nightclub) when according to the license all windows and doors must be shut when music of any type is played. The response is always that is the security doorman not doing their job but ultimately it should be down to the License holder or Duty Manager to check this.</p> <p>If the noise level is not controlled very well now, how will they manage with the extension to the outside.</p> <p>We feel this could create a lot more noise nuisance/pollution.</p>

		Also a contact phone would be helpful, as if there there are issues we could ring them and get it resolved straight
Protection of children from harm		

Please suggest any conditions that you think could be added to the licence to remedy your representations or other suggestions you would like the Licensing Sub Committee to take into account		<p>Have any music or bands played in the top floor of the premises, with the windows closed. Stricter adherence to keeping the doors shut and regular checking of noise created by customers outside the premises by the duty manager.</p> <p>Also a contact phone number would be helpful, as if there are any issues we could ring them and get it resolved straight away, rather than walking round in to premises at night, packed full of people.</p>
