Safer, Healthier Streets Programme - School Streets

Delegation from Cabinet 11 July 2023

On 11 July 2023, the Cabinet The Cabinet agreed to progressing immediate feasibility studies for the following two Schools Streets, as detailed in paragraph 4.9 of this report, and where appropriate, delegated authority to the Director of Place, in consultation with the Portfolio Holder for Climate Change and Strategic Regeneration, to proceed to statutory consultation and, subject to the statutory process and to proceed with any necessary infrastructure work and implementation: High Halstow Primary Academy, High Halstow; and, St Benedict's Catholic Primary School, Lambourn Way, Chatham. (Decision No. 101/2023).

The report is available from the [Council's website](#).

Decision

The Director of Place has agreed, following consultation with the Portfolio Holder for Climate Change and Strategic Regeneration, to pause the permanent making of the traffic order for St Benedict's Catholic Primary School and High Halstow Primary Academy until further clarification engagement with key stakeholders including local residents take place.

Reasons for Decision

The School Streets initiative, within the Safer Healthier Programme, meet several key strategic policies and action plans set out by the Council. The implementation of the recommendations will create a safer environment for students, the wider school community, and residents, by enabling and encouraging more sustainable transport choices.

Date of Decision
