Work Programme

Report from/author: Stephanie Davis, Democratic Services Officer

Summary

This item advises Members of the current work programme and allows the Committee to adjust it in the light of latest priorities, issues, and circumstances. It gives Members the opportunity to shape and direct the Committee's activities over the year.

1. Recommendation

- 1.1 The Children and Young People Overview and Scrutiny Committee is asked to note the report and agree the work programme as set out at Appendix 1 to the report, subject to accepting the proposed changes, outlined in italic text on Appendix 1.

2. Budget and policy framework

- 2.1 Under Chapter 4, Part 5 of the Constitution – Overview and Scrutiny Rules, paragraph 21.1 (xv) General terms of reference, each overview and scrutiny Committee has the responsibility for setting its own work programme.

3. Background

- 3.1 Appendix 1 to this report sets out the proposed work programme for the Committee during the current municipal year.

4. Agenda planning meeting

- 4.1 Members will be aware that Overview and Scrutiny Committees hold agenda planning meetings on a regular basis. These give officers guidance on information that Members wish them to provide when scrutinising an issue. An agenda planning meeting was held on 5 February 2026 with the Chairperson and the agenda items for the meeting were confirmed as per the work programme, with the Sufficiency Strategy deferred to the June meeting to allow officers to finalise details.

6. Performance Data Workshops

- 6.1 At the Committee's meeting on 5 March 2020, it was agreed a number of measures to maximise its involvement and impact in relation to the scrutiny of children's social care.
- 6.2 Part of those measures included the provision of detailed performance data to all members of the Committee on a monthly basis and for performance data workshops to be provided, in between Committees. The purpose of this is to strengthen the capacity for effective scrutiny of performance by providing an informal setting in which detailed analysis of the data can be undertaken. Members can then apply their increased knowledge and understanding to carry out an effective scrutinising role in main committee meetings and in task group activity.
- 6.3 It has been proposed that the performance data workshops be reconvened. The next meeting dates will be 18 May 2025 and 21 September 2025, 6-7pm on Ms Teams.

6.4 At Members' request, the following table displays a list of briefing note information requests, when the requests were made, when briefing notes were provided and what is still outstanding.

7. Implications for children in care

7.1 Members should ensure they focus on outcomes for children in care. This includes considering their physical health; their emotional health; their safeguarding; their educational attainment and progress; their hopes and aspirations for their adult lives and how looked after young people have their voices heard. We know that looked after children can be more vulnerable to sexual exploitation so particular attention should be given to this. As a corporate parent, Members should be a champion for looked after children and have the same high expectations of them as they would for their own child, grandchild, or niece/ nephew.

8. Financial and legal implications

8.1 There are no financial or legal implications arising from this report.
