

## **Health and Wellbeing Board**

**17 June 2026**

### **KYNDI - Assistive Technology to Support Independent Living**

Report from: Robert Kennedy, Head of Sales and Business Development, Kyndi

Author: Stephanie Davis, Democratic Service Officer

#### **Summary**

A presentation is being provided to the Board on assistive technology and its use to support independent living.

#### **1. Recommendation**

- 1.1. The Board is asked to note the presentation and consider how they and the organisations that they represent can promote the work of Kyndi in the community.

#### **2. Background**

- 2.1. The aim of the presentation is to provide detailed information on assistive technology, highlighting its role in supporting the NHS prevention agenda, and improving independence, quality of life and outcomes for service users.

#### **3. Risk management**

- 3.1. There are no direct risks to the Council as a result of this presentation.

#### **4. Financial implications**

- 4.1. There are no direct financial implications as a result of this presentation.

#### **5. Legal implications**

- 5.1. There are no direct legal implications as a result of this presentation.
