

## **Health and Wellbeing Board**

**17 June 2026**

### **Developing Plans for Neurological Patients**

Report from: Professor David Oliver, University of Kent

#### **Summary**

This presentation details the aims of Medway Neurological Network and future planning in health and social care for people with neurological conditions.

#### **1. Recommendation**

- 1.1. The Board is asked to note the content of the presentation and consider how the Neighbourhood Health Plans being developed can ensure improvements in quality of services for individuals with neurological conditions.

#### **2. Background**

- 2.1. The aim of the presentations is to consider the national and local context of Neurological development, issues in Medway and considerations in future planning for neurology as part of the Neighbourhood Health Plans and other National strategies.

#### **3. Risk management**

- 3.1. There are no direct risks to the Council as a result of this presentation.

#### **4. Financial implications**

- 4.1. There are no direct financial implications as a result of this presentation.

#### **5. Legal implications**

- 5.1. There are no direct legal implications as a result of this presentation.
